> Dr. SCHENCK's Mandrate Pills a substitute for Calomel. These Pills are composed of various roots, having the power to relax the accretions of the liver as promptly and effecttually as blue pill or mercury, and without producing any of those disagreeable or dangerous effects which often follow the use of the latter. In all bilious disorders these pills may be used with confidence, as they promote the discharge of vitiated bile, and remove those obstructions from the liver and biliary ducts, which are the cause of bilious affections in general.

> Schenck's Mandrake Pills cure sick headache, and all disorders of the liver, indicated by sallow skin, coated tongue, costiveness, drowsiness and a general feeling of weariness and lassitude, showing that the liver is in a torpid or obstructed condition.

In short, these pills may be used with advantage in all cases when a purgative or alterative medicine is required. Please ask for " Dr. Schenck's Mandrake

Distemper, &c., in Cattle. These Powders were formerly put up by Simpson I. Tobias, son of Dr. Tobias, and, since his death, the demand has been so great for them, that Dr. Tobias has continued to manufacture them .--They are perfectly safe and innocent ; no need of stopping the working of your animals.----They increase the appetite, give a fine coat. eleanse the stomach and urinary organs; also increase the mlik of cows. Try them, and you will never be without them. Hiram Woodruff, the trainer, of trotting borses, has used them for years and recommends them to his friends. Col. Philo. P. Bush, of the "Jerome Race Course," Fordham, N. Y., would not use them until he was told of what they are composed, since which he is never without them. He has over 20 running horses in his charge, and for the last three years has used no other medicine for them. He has kindly permitted me to refer any one to him, Over 1000 other references can be seen at the depot. Sold by all the Druggists and Saddlers. Price 25 cents per box. uncertain health are strenuously advised to throw aside the nauseous and useless preparations with which they are accustomed to drug themselves, and test the hygeian, body-andmind-strengthening; virtues of Hostetter's Celebrated Stomach Bitters. In all the complaints and disabilities arising from various causes, they will find this cheering, refreshing and invigorating preparation of extraordinary efficacy. Its regulating properties are wonderful, and as a remedy, for the languor, nausea, tremors, convulsions, hysteria, &c., which often accompany the developement of womanhood, it has no equal among the prescriptions of the faculty or advertised medicines. For the many distressing feelings which usher in and often follow the period of maternity, and also for the painful and dangerous symptoms which sometimes accompany "change of life," Hostetter's Bitters are earnestly recommended. No other restorative seems to suit so well the constitutions and the organization of the feebler sex. In all cases of Female Debility, where there is a want of brisk vital action, the bitters produce a most important change—relieving local weakness, and re-establishing the general r. health.

IMPORTANT QUALITIES .- Brandreth's pills so stimulate all the interior powers of the system that every poison or impurity is forced from the blood into the bowels, and thus passes off. Recent cases of sicknesss will often be cured by the effect of 6 or S Brandret.'s Pills, which, when the operation is full and complete, leave the blood as free from poisonous and unhealthy matter as that of a newborn babe. In colds, inflammatory diseases, and even in Cholera, their use restores to health sooner than all other remedies, because they take from the blood and bowels those matters upon which pains, cramps and aches depend for continuance.

Captain Isaac Smith, of Sing Sing, says, thirty of Braudreth's Pills, taken according to directions, cured him of a very severe bronchial affection after other means had failed, and he wishes his numerous friends to know the fact.

Brandreth's Pills, Principal Office, Erandreth house, New York. Sold also by all druggists. See my name on Government stamp, without which the pills are spurious. B. BRANDRETH.

REPARATOR CAPILI. For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard Their assertions are false, as t housands of hv ing witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult as ninetenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say try the Reparator Capih; it will cost you nothing unless it fully comes up to our representations. If your druggist docs not keep it, send us one dollar and we will for-ward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is 1 ot given.
