LIQUID CATARRH REMEDY!

SYMPTOMS.

The symptoms of Catarrh are at first very slight. Persons find that they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature.

As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are watery; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen from the head during the night. When this takes place, the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms: it will be sent FREE to any address. Also directions how to procure the medicine.

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

This remedy contains no MINERAL or POISONOUS INGREDIENTS, but is prepared from vegetable extracts EXCLUSIVELY; therefore it is PERFECTLY HARMLESS, even to the most tender and delicate child.
