FROM A LADY. West Milton, Saratoga Co., N. Y ?

July 6, 1866. }
Dr. Hostetter—Sir: I have long delayed writing to you my sincere thanks for the good vou have done my daughter. I can truly say that nothing but the kind hand of Providence and your Bittens have saved her from an early grave. For three years I have been doctoring her with syrups and all kinds of bitters that have been recommended to me for her, besides having two first-rate physicians : but all seemed to do her no good, while I was searching the almanacs and all the newspapers that I could get hold of, in hopes of finding something that would suit her case. Accidentally there came part of a newspaper around some goods that I bought at the Spa. In looking it over I saw at a glance that your Bitters was just what she needed. I sent the next day to Ballston Spa and got a bottle of your Bitters. She commenced taking them, and such a change in one week with- her appetite, and the distress that victuals occasioned, and that burning in the stomach, I never saw in my life, as there was in her. She has all the time. I think there is a little derangement of the liver. Please send me three bottles more, which I think will cure her entirely. We and others thought she had disease of the heart, but that beating and fluttering that would almost stop her from breathing at times, is all gone. Yours, with respect, MRS. AMANDA M'PHERSON.

A Young Lady returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she rough gave an ent-rtainment in the town | really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, crowded, and the performers acquitted vet unsurpassed in its efficacy in drawing imthemselves well. We learn they intend purities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and should be, clear, soft, smooth and beautiful-Price \$1, sent by mail or express, on receipt W. L. ASTROLOGY! THE WORLD ASTONISHED.

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, Madame H. A. Perrigo.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings to gether those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity.
