

The Local Mariettian.

Saturday Morning, March 9, 1887.

The Morning Passenger train for Lancaster and Philadelphia will leave the upper station at 12 minutes after 8 o'clock. The Mail train going westward will pass upper station at 7 minutes after 12 o'clock, noon. The Harrisburg accommodation train eastward will pass at 26 minutes after 6 o'clock, in the afternoon and returning arrive here at 43 minutes after 6 o'clock in the evening.

A young son of Mr. Samuel Thuma, residing near the Maytown road, aged about five years, fell from his father's hay mow, a few days since, and fractured his skull very badly. Drs. Landis, Grove and Trout were called in and the little fellow cared for. Strange to say the Doctors report his arriving here at 43 minutes after 6 o'clock in the evening.

Mr. Martin, the new landlord of the White Swan Hotel, will please consider our "beaver tipped" for a dish of very nice oysters. The restaurant of the "Swan" is under the management of Russell A. Child, who is very obliging and attentive.

It is said that James Black, esq., of Lancaster, has been appointed Revenue Assessor, in place of "Mr. Brown's" brother, who was rejected by the U. S. Senate. Mr. Black's appointment would, we believe, give very general satisfaction.

It is rumored that Chas. M. Howell, Wm. Carpenter and Mayor Sanderford of Lancaster, and Col. Crane of Columbia, are all aspirants for the position of Collector and Assessor, for this district.

The election for Borough and Township officers will take place on Friday next. We hope each candidate will be placed in nomination as will, if elected, be a credit to the borough.

The sale of farm stock, &c., belonging to the estate of the late Henry Saltschach, will be sold at public sale on Saturday afternoon next.

We observe amongst the publishers of arrivals of Americans, in Paris, the name of our townsman, Harry Engle.

The Susquehanna "is full" and no one is being daily looked for.

AN INTERESTING NUISANCE.—We hear complaints from all parts of the county against the great number of vagrants who wander in from farm to farm, begging or stealing, as the humor or opportunity offers. In many cases these creatures are heartily men and women. They wander from farm to farm, begging or stealing, as the humor or opportunity offers. Special Notices.

To Owners of Horses.—Thousands of horses die yearly from Colic. This need not be. Dr. Tobias' Venetian Horse Liniment will positively cure every case, if given when first taken. The cost is only one dollar. Every owner of a horse should have a bottle in his stable, ready for use. It is warranted superior to anything else for the cure of Cuts, Wind Galls, Swellings, Sore Throats, Sprains, Bruises, Old Sores, &c. This Liniment is no new remedy. It has been used and approved of for 19 years by the first horsemen in the country. Given to an overdriven horse, it acts like a magic. Orders are constantly received from the racing stables of England for it. The celebrated Hiram Woodruff, of trotting fame, has used it for years, and says it is far superior to any other he has tried. He kindly permits me to refer to him. His address is East New York, Long Island. Re-collect, Dr. Tobias' Venetian Horse Liniment is put up in pint bottles. Take no other. Sold by all the Druggists and Saddlers. Depot 56 Cortlandt street, New York. [31-71]

Consumption curable by Dr. Schenck's Medicine. To cure Consumption, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines, will be digested properly, and good healthy blood made; thus building up the constitution. Schenck's Mandrake Pills cleanse the stomach of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored.

Schenck's Pulmonic Syrup is nutritious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, Consumption very frequently in its last stages yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not constipated they are not required, for sometimes in diarrhea they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold; exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well. GONE FOREVER!—So say the ladies of their beauty, when the mirror shows them their once jet and golden ringlets streaked with grey. But never was there a more false conclusion. Though the hair be as white as Time's own forelock, or worse still, as red as a fiery meteor—Presto! it is invested in a moment with the most magnificent black or brown by the agency of CRISTADORO'S HAIR DYE, a perfectly wholesome and purely vegetable preparation. Manufactured by J. CRISTADORO, 6 Astor house New York. Sold by

FROM A LADY.

West Milton, Saratoga Co., N. Y.

July 6, 1886.

Dr. Hostette—Sir: I have long delayed writing to you my sincere thanks for the good you have done my daughter. I can truly say that nothing but the kind hand, of Providence and your Bitters have saved her from an early grave. For three years I have been doctoring her with syrups and all kinds of bitters that have been recommended to me for her, besides having two first-rate physicians; but all seemed to do her no good, while I was searching the almanacs and all the newspapers that I could get hold of, in hopes of finding something that would suit her case. Accidentally there came part of a newspaper around some goods that I bought at the Spa. In looking it over I saw at a glance that your Bitters was just what she needed. I sent the next day to Ballston Spa and got a bottle of your Bitters. She commenced taking them, and such a change in one week with her appetite, and the distress that vitals occasioned, and that burning in the stomach, I never saw in my life, as there was in her. She has taken three bottles, and is now able to work all the time. I think there is a little derangement of the liver. Please send me three bottles more, which I think will cure her entirely. We and others thought she had disease of the heart, but that beating and fluttering that would almost stop her from breathing at times, is all gone. Yours, with respect,

Mrs. AMANDA McPHERSON.

A YOUNG LADY returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CRISTADORO BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance a hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price \$1, sent by mail or express, on receipt of an order, by W. L. CLARK & Co., Chemists.

This is no imposition, as testimonials without number can attest. By stating place of birth, age, disposition, color of eyes and hair, and enclosing fifty cents, and stamped envelope addressed to yourself, you will receive the picture by return mail, together with desired information.

ASTROLOGY!

THE WORLD ASTONISHED.

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST,

Madame H. A. Perrigo.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what way will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and her almost supernatural powers reveals the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consult her, for the happiness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair.
