THE ELECTION OF YESTERDAY.—The contest of Friday was very spirited—no less than three tickets in the field. The first was styled the "Pig Ringer,"—the second the "Citizens" and the last the "Republican." It will be observed that anumber of candidates were on two of the tickets and were thus elected. We sprend the number of votes each candidale received, but cannot give the vote of each ticket separate and entire. Our field Houseal has again tied a competjior-as he did last year.

The celebrated Scottish Temperance orator, Thomas Roberts, G. W. C. Tof the I. O. of G. T., of Delaware, ill deliver a lecture on Temperance in best, to commence at 71 o'clock. Mr. Roberts has lectured in the States of Delaware and Maryland, and his witticisms and native intelligence make him a general favorite with the people. The Public is earnestly invited to attend.

The pedestrians from front to Market street are under obligations to Mr. Martin, the present proprietor of the "White Swan," for a pair of large lamps—one placed at the corner of the alley on the east of the Hotel, and the other on the corner of the stable, thus lighting the narrow passage way between the Past Office corner and front street. Russel Child, who superintended these improvements, is never behind.

Prof. Seizer, of New York, lectured before the Marietta Literary society, on Thursday evening last, to a very crowded house. Prof. Wells had been aunounced as the lecturer, but in consequence cfan over press of business at home, Prof. S. was substituted and we have heard of but one opinion of the substitute, which was a very flattering one. Tais lecture closes the course. We hope to hear of an earlier start next season, and the selection of a higher grade of talent which can only be obtained by liberal contributions from persons able to contribute liberally. All in all however, this has been an interesting band or wife of the applicant, with date of lecture season, but our next can be made more so. The "getters-up" deserve many thanks.

Robert Crane, of Columbia, who was nominated Revenue Collector of this District, by "his Accidency," has been rejected by the U.S. Senate. Edgar Cowan, the renagade, has also been rejected as Minister to Austria. James Black, who was spoken of for Assessor of this District, has been, we learn, withdrawn, and thus our Revenue affairs are still in the hands of irresponsible subordinates.

writing to you my sincere thanks for the good early grave. For three years I have been doctoring her with syrups and all kinds of bitters that have been recommended to me for her, besides having two first-rate physicians; but all seemed to do her no good, while I was searching the almanacs and all the new spapers that I could get hold of, in hopes of finding something that would suit her case. Accidentally there came part of a newspaper around some goods that I bought at the Spa. In looking it over I saw at a glance that your Bitters was just what she needed. I sent the next day to Ballston Spa and got a bottle of ed, and that burning in the stomach, I never saw in my life, as there was in her. She has taken three bottles, and is now able to work all the time. I think there is a little derangetles more, which I think will cure her entirely. We and others thought she had disease of the heart, but t at beating and fluttering that would almost stop her from breathing at times, is all gone. Yours, with respect,

REPARATOR CAPILI.

Throw away your false frizzes, your switches, your wig--

Destructive of comfort, and not worth a fig; Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair. REPARATOR CAPILI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will fosce or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult as ninetenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say try the Reparator Capili; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on ap-

plication, providing entire satisfaction is rot given. Address,
