For the benefit of the law-abiding. re publish, in full, the new law in refer ence to public nuisances, in our borough ; it has been signed by the Governor and is, therefore, a law. We hope our new official with the "star" will strictly en. force this law. The crowd appears on the increase around the post office, and utila few examples are made we look for little change.

Another meeting of the "Young Men's Christian Association " was held on Saturday evening last, and its organinstion completed. A Constitution and Br-Laws were adopted, and the following officers elected : President, Rev. John Stringer; Vice President, John McNichols; Secretary, J. Clayton Steacy ; Treasurer, John Libhart. This Association meets every Friday evening, in the east class room of the M. E. church. Any person wishing to become a member can make application to any of the members.

G Quite a serious affair happened a few evenings since, on one one of our streets. A Mr. Perkins, who by the way, is an itinerant clothier now sojournlog in our midst, was earnestly engaged in serious conversation with one of our fair damsels, when suddenly her head fell upon his breast with the exclamation "Oh how I love you," and the affecting from the stamping ground."

TA mistake has evidently been made by some of our Borough Fathers, in "fixing-up" the side walk, on Walnut street, near the High School building. A load of stones have been placed there which are more fitted to "fill ap" a hole is the pike than for a sidewalk.

🐼 John Farnesworth, a lumberman from Indiana county, had his leg broken on Saturday morning last, while assisting in landing a raft. A collection, amounting to over \$100, was taken up for him, and on Monday be was sent homa.

We understand there was quite a "free fight" in "Irishtown" on Monday last. Lumbermen and negroes figured conspicuously in the affray. The fight lasted about half an hour, when both parties concerned were pretty well "used op:" A pilot from Washington, was lojured very much.

DR. S. ROGERS. Dear Sir :-- Having heard so much said, of late, in favor of your medicines and also of your system of treating diseases in general, that I felt it my duty to add my testimonial in the hope of being able, in this way, to benefit those that may be afflicted. I have suffered with Indigestion (Dyspepsia) for many could eat but very little breakfast, and that little made me sick at the stomach. The Doctors said my liver did not act right. I also suffered very much from Rheumatism, and at times my blood circulation was very poor; at times my fingers and toes would become numb, that I had hardly any feeling in them; whilst in this way I commenced to use your ELECTRO-MAGNETIC OIL and LIVER PILLS, and the effect in my case was truly wonderful. My pains left me all in one night, and my strength returned in a few days! I can now the Bauner, and P. C. P., E. D. Roath, eat well and feel well after eating--the numb-
