ASTROLOGY!

THE WORLD ASTONISHED.

AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST,

Madame H. A. Perrigo.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money. &c., have become despondent. She brings together those long separated, gives information concerning absent triends or lovers, restores list or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy you will be most successful, causes specty marriages and tells you the very day you wil marry, gives you the name, likeness and characteristics of the person. She reads your vey thoughts, and by her almost supernatural powers unveils the dark and hidden my sieries of the future. From the stars we see in the firm-ament—the malcfic stars that overcome or predominate in the configuration—from the spects and positions of the planets and the fixed stars in the heavens at the time or birth, the deduces the future destiny of man. Fati not to consult the greatest Astrologist on earth. not to consult the greatest Astronogist on earth-it costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as it in person. A full and explicit chart, written out with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrety will be maintained, and all correspondence returned or destroyed. References of the highest order urnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a smail lock of hair.

Address, Madame II. A. Perrigo,
