AT THE WONDERFUL REVELATIONS

MADE BY THE GREAT ASTROLOGIST, Madame H. A. Perrigo.

She reveals secrets no mertal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores last or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your veyr thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail aspects and positions of the planets and the aspects and positions of the planets and the subscribers to Godey get it before the manager of fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Stewart & Co. of New York, the millionaire merchants, appear in Godey, the only magazine that has them.

REPARATOR CAPILI. Throw away your false frizzes, your switches, your wig--Destructive of comfort, and not worth a fig:

Come aged, come youthful, come ugly and fair,

And rejoice in your own luxuriant hair. REPARATOR CAPILI. For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It wil! force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of the processes (from their gwn experience) ing witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult as ninetenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large and you may have already thrown away large and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capih; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is tot given.
