BRADLEY'S Celebrated Patent Duplex Elliptic,

OR DOUBLE SPRING]

SKIRT.

THE Wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs fer promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses, and young ladies they are superior to all others. They will not bend or break like the Single

Spring, but will preserve their perfect and grace shape when three or four ordinary skirt-will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; pre-venting them from wearing out when dragging

down steps, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the standard sojskirt the fashionable world.

To enjoy the following inestimable advanta and in receiver with surface.

ges in crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibilty, durability, comfort and economy, enquire Double Spring Skirt, and be sure you get the

genuine article.

CAUTION:—To guard against imposition be particular to notice that skirts offered as "Dv-PLEX" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together there-in, which is the secret of their flexibility and strength, and a combination not to be found in

any other Skirt.

25 For sale in all stores where first class skirts are sold, throughout the United States and elsewhere. Manufactured by the sole owners of the patent,

REPARATOR CAPILI. Throw away your false frizzes, your switch-

es, your wig---Destructive of comfort, and not worth a fig; Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair. REPARATOR CAPILI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the board to grow upon the smoothest face in from five to eight upon the smoothest face in from live to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, however we to distinguish the genuine from the are we to distinguish the genuine from the spurious? It certainly is difficult as ninetenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say try the Reparator Capili; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will for-ward it, postpaid, together with a receipt for the money, which will be returned you on ap-

plication, providing entire satisfaction is rot given. Address,
