Celebrated Patent Duplex Elliptic,

[OR DOUBLE SPRING] SKIRT.

THIHE Wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced parikularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic steel spring skirt for a single day, will never afterwards willingly dispense with their use. For children, misses, and young ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and grace shape when three or four ordinary skirtwill have been thrown aside as useless. The ticularly in all crowded assemblies, operas

will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down steps, stairs, &c.

The Duplex Elliptic is a great favorite with

all ladies and is universally recommended by the Fashion Magazines as the standard soyskirt the fashionable world.

To enjoy the following inestimable advanta ges in crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, fiexibit-ty, durability, comfort and economy, enquire or J. W. BR ADLEY'S Duplex Elliptic or

or J. W. BRAD'LE Y'S Duplex Elliptic or Double Spring Skirt, and be sure you get the genuine article.

CAUTION:—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waisthand—none others are conjune. Also the waistband—none others are genuine. Also notice that every hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together there-in, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

23 For sale in all stores where first class skirts are sold, throughout the United States and elsewhere. Manufactured by the sole owness of the patent,

ASTROLOGY! THE WORLD ASTONISHED.

AT THE WONDERFUL REVELATIONS

MADE BY THE GREAT ASTROLOGIST, Madame H. A. Perrigo.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores less or stolen property, tells you the business. concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predomnate in the configuration—from the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never not to consult the greatest Astrologist on earth.
It costs you but a trifte, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information \$1!
