REPARATOR CAPILI. For restoring hair upon bald heads (from whatever cause it may have failen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow the control of the face o upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to weeks, or nair upon and neads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of liv-ing witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say try the Reparator Capili; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it, nogangial together with a receipt for ward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is i ot given.
