THE PHILADELPHIA UNIVERSITY! COLUMBIA INSURANCE CO.

The Philadelphia University of Medicine The Philadelphia University of Medicine and Surgery was organized in 1848. Chartered by the Legislature, February 26, 1853. Name changed by a legislative enactment to the Eclectic Medical College of Philadelphia, in 1860. In 1863 it purchased the Pennsylvania Medical College, established in 1842, and the Philadelphia Medical College, which had previously been merged into the Pennsylvania Medical College. In 1864 it purchased the Penn Medical University. The Trustees of the separate schools united, petitioned, and obtained a special act of the Legislature, consolidating these institutions and changing their names to that of the Philadelphia University of Medicine and Surgery, March 15, 1865. All these various acts are published in the statues of Pennsylvania. The cost of the building and museum was over one hundred thousand dollars. It will be observed that the University, as now organized, is the legal re-University, as now organized, is the legal re-presentative of the four medical colleges that it has absorbed. It is a liberal school of medicine, confined to no dogma, nor attached to

any medical clique; but embraces in its teachings everything of value to the profession.

Sessions.—It has two full sessions each year, commencing on the lat. of October, and continuing putil the 1st. of January as its first session, and from the 1st. of January to the lst. of April as its second; the two constitut-ing one full course of lectures. It has also a summer session, commencing the lst. of April and continuing until August, for the prepara-tory branches, such as Latin, Greek, Mathe-matics, Botany, Zoology, Chemistry, Anatomy

Physiology, etc.

'IICKETS.—Tickets to the full course of lectures \$120, or \$60 for each session. For the summer or preparatory course \$25. Graduating fee \$30. To aid young men of moderate means, the University has issued five hundred spheles there which are said to first course. scholarships, which are sold to first course students for \$75, and to second-course stud-ents and clergymen for \$50, each constituting the holder a life member, with the perpetual privileges of the lectures, and all the teachings of the school. The only additional fees are a yearly dissecting and matriculating ticket, each of which is \$5.

THE ADVANTAGES OF SCHOLARSHIPS.—
The student holding a scholarship can enter the College at any time during the year, attend as long as he chooses, and re-enter the institution as frequently as desired.

It requires no previous reading or study to enter the University on scholarships, hence,

all private tuition fees are saved.
Students, by holding scholarships, can pros-ecute other business a part of the time.
The candidate for graduation can present

himself at any time, and receive his degree as soon as qualified.

In case a student should hold a scholarship and not be able to attend lectures, it can be transferred to another, thus preventing any

Parents, guardians, or friends of students Parents, guardians, or Inlends of students wishing to purchase scholarships for them a year or more before their attendance at the University, can secure them by advancing one-half the price, and paying the balance when the student enters. Physicians and benevolent men can bestow great benefit upon poor young men, by presenting them a scholarship, and thus enabling them to obtain an honor-

ble profession.

The Faculty embraces seventeen eminent physicians and surgeons. The University has associated with it a large hospital clinic, where every form of medical and surdical disease is operated on and treated in the presence of the class.

COLLEGE BUILDING.—The College building located in Ninth street, south of Walnut, is the finest in the city. Its front is collegiate gothic, and is adorned with embattlements and embrasures, presenting a nevel, bold, and beautiful appearance. The facade is of brown stone, ornamented by two towers, rising to the elevation of eighty feet, and crowned with an embattled parapet. The building contains between fifty and sixty rooms, all supplied with water, gas, and every other convenience. with water, gas, and every other convenience, that modern improvement can contribute to facilitate medical instruction. Only five hun-dred scholarships will be issued, and as two hundred and fifty are now sold, those who wish to secure one should do so at once. Money can be remitted by express, or a draft or a check sent on any National bank in the United States, when the scholarship will be returned by mail, signed by the President of the Board of Trustees, Jos. S. Fisher, Esq, and the Dean of the Faculty, W. Paine, M. D. All orders for scholarships or other business of the University, should be addressed to Professor W. Paine, M. D. Philadelphia, Pa.

ASTROLOGY!

THE WORLD ASTONISHED. AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, Madame H. A. Perrigo.

She reveals secrets no mertal ever knew She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings to-&c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person She reads your veyr thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth not to consult the greatest Astrologist on earth. REPARATOR CAPILI. Throw away your false frizzes, your switch-

es, your wig--Destructive of comfort, and not worth a fig; Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair. REPARATOR CAPILI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few inportant practitioners three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or heard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult as ninetenths of the different Preparations advertised for the hair and beard are entirely worthless and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capili; it will cost, you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will forward it postneid together with a registric for wand it, postpaid, together with a recaipt for the money, which will be returned you on ap-plication, providing entire satisfaction is rot given. Special Notices.

KNOW THY DESTINY .- Madame E. F Thornton, the Great English Astrologist, Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to ths single or married of cither sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send when desired, a certified certificate or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fity cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. A Young Lady returning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends. In place of a coarse, rustic, flushed face. she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of sp great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing unpurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intened it should be, clear, soft, smooth and beautiful.
