THE PHILADELPHIA UNIVERSITY

The Philadelphia University of Medicine and Surgery was organized in 1848. Charter-ed by the Legislature, February 26, 1853. Name changed by a Jegislative enactment to the Eclectic Medical College of Philadelphia, in 1860. In 1863 it purchased the Pennsylva-nia Medical College, established in 1849 and in 1860. In 1863 it purchased the Pennsylva-nia Medical College, established in 1842, and the Philadelphia Medical College, which had previously been merged into the Pennsylvania Medical College. In 1864 it purchased the Penn Medical University. The Trustees of the separate schools united, petitioned, and obtained a special act of the Legislature, con-solidating these institutions and changing their usames to that of the Philadelphia University of Medicine and Surgery, March 15, 1865. names to that of the Philadelphia University of Medicine and Surgery, March 15, 1865. All these various acts are published in the statueg of Pennsylvania. The cost of the building and museum was over one hundred thousand dollars It will be observed that the thousand dollars It will be observed that the University, as now organized, is the legal re-presentative of the four medical colleges that it has absorbed. It is a liberal school of med-icine, confined to no dogma, nor attached to any medical clique; but embraces in its teach-inga everything of value to the profession. Sessions.—It has two full sessions each year, commencing on the lst. of Uctober, and continuing until the 1st. of January as its first gession, and from the lst. of January to the lst. of April as its second; the two constitut-

gession, and from the lat of January to the lat. of April as its second; the two constitut-ing one full course of lectures. It has also a summer session, commencing the lat. of April and continuing until Awgust, for the prepara-tory branches, such as Latin, Greek, Mathe-matics, Botany, Zoology, Chemistry, Anatomy Physiology, etc. Trackers.—Tickets to the full course of lec-tures \$120 or \$60 for cach fession. For the

TICKETS.— HICKETS to the full course of lec-tures \$120. or \$60 for each session. For the summer or preparatory course \$25. Graduat-ing fee \$30. To aid young men of moderate means, the University has issued, five hundred. means, the University has issued, two hundred, scholarships, which are sold to first course students, for \$75, and to second-course stud-ents and clergymen for \$50 each constituting-the holder a life member, with the perpetual privileges of the lectures, and all the teachings of the school. The only additional fees are a wearly disacting and matriculating takket yearly dissecting and matriculating ticket, each of which is \$5.

each of which is \$5. THE ADVANTAGES OF SCHOLARSHIPS.— The student holding a scholarship can enter the Collego at any time during the year, at-tend as long as he chooses, and re-enter the institution as frequently as desired. It requires no previous reading or study to enter the University on scholarships, hence, universe with the study to conter the University on scholarships, hence,

all private tuition fees are saved. Students, by holding scholarships, ran pros-cente other business a part of the time. The candidate for graduation can present himself at any time, and reaction his degree as

soon as qualified. In case a student should hold a scholarship and not be able to attend lectures, it can be transferred to another, thus proventing any

loss. Parents, guardians, or filends of students wishing to purchase scholarships for them a year or more before their attendance at the University, can secure them by advancing one-half the price, and paying the balance when the student enters. Physicians and benevolent men can bestow great benefit upon poor young men, by presenting them a scholarship, and thus enabling them to obtain an honor-The Faculty embraces seventeen eminent

physicians and surgeons. The University has associated with it a large hospital clinic, where every form of medical and surdical disease is operated on and treated in the presence of the class.

COLLEGE BUILDING .- The College building located in Ninth street, south of Walnut, is the finest in the city. Its front is collegiste gothic, and is adorned with embattlements and combrasures, pr-senting a nevel, bold, and beautiful appearance. The facade is of brown stone, ornamented by two towers rising to the betwein appearance. The Jacker sol hown stone, ornamented by two towers, rising to the cievation of eighty feet, and crowned with an embattled parapet. The building contains between fifty and sixty rooms, all sopplied with water, gas, and every other convenience, that modern improvement can contribute to facilitate medical instruction. Only five hun-dred scholatships will be issued, and as two hundred and fifty are now sold, those who wish to secure on e should do so at once. Mon-ey can be romitted by express, or a draft or a check sent on any National bank in the United States, when the scholarship will be returned by mail, signed by the President of the Board of Trustees, Jos. S. Fiber, Esq., and the Dean of the Faculty, W. Paine, M. D. All orders for scholarships or other business of the University, should be addressed to Professor W. Paine, M. D. Philadelphas, Pa.

ASTROLOGY! THE WORLD ASTONISHED. AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST

Madame H. A. Perrigo. She reveals secrets no mortal ever knew.

She restores to happiness those, who, from doleful events, catastrophes, crosses in love, loss of relations and filends, loss of money, &c., have become despondent. She brings to-gether those long separated, gives information concerning, absent frierds or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and char-acteristics of the person - the reads your veyr thoughts, and by her almost supernatural pow-ers unveils the dark and hidden mysteries of the future. From the stars we see in the firmthe future. From the stars we see in the infra-ament—the malefic stars, that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a hille, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in salety and substaction to theneserves, as it in person. A full and explicit chart, written out with all inquiries answered and likences en-closed, sent by mail on receipt of price above mentioned. The strictest secresy will be maintained, and all correspondence returned or destroyed. References of the highest order urnished those desiring them. Write plainly the day of the mouth end were in write plainly the day of the month and year in which you were born, euclosing a small lock of hair. Address, MADANE H. A. PERRICO, P. O. REPARATOR CAPILI.

Throw away your false frizzes, your switches, your wig--

Destructive of comfort, and not worth a fig; Come aged, come youthful, come ugly and fair And rejoice in your own luxuriant hair. REPARATOR CAPILL

For restoring hair upon bald heads (from whatever cause it may have fallen out) and whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beaid to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or husten the growth of the hair or beard. Their assertions are false, as thousands of liv-ing witnesses (from their own experience) ing witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large genuints in their nurchesse. To such we amounts in their purchase. To such we would say try the Reparator Capih; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it, send us one dollar and we will for-ward it, postpaid, together with a receipt for the money, which will be returned you on ap-plication, providing entire satisfaction is 1 ot given. KNOW THY DESTING.-Madame E. F Thornton, the Great English Astrologist, Clair voyant and Psychometrician, who has aston ished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton rossesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to ths single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send when desired, a certified certificate or written guarantee, that the picture is what it purports to be, By enclosing a small lock of hair, and stating place of birth, age, čisposition and complexion, and enclosing fitty cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications sacredly confidential. Address in confidence, MADAME E. F. THORNTON, P. O. BOX 223, Hudson, N. Y.

A YOUNG LADY ieturning to her country home, after a sojourn of a few months in the city, was hardly recognized by her friends, In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead. of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CIRCASSIAN BALM, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their perional appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing unpurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intened it should be, clear, soft, smooth and beautiful Price \$1, sent by mail or express, on receipt of an order, by W.
