The Local Mariettian

Faturdan, July 28, 1860.

Quite a large and pleasant pic nic came off near the "Glatz Ferry" on Tues- dug through a mountain. Push ever, day last... The Marietta String Band furnished the music for the occasion and half made, and your immortality secured. after spending the day on the hill side, in the evening they repaired to Noen's Ferry House, where they danced and amused themselves until ten o'clock, when they embarked on board of one of the ferry flate and slowly, but pleasantly, amid the sweetest strains of music, were soon "Homeward bound." This place, near the speing, is now one of the most delightful places for summer parties we know of, and Noel is always in readiness to furnish accommodations for any wishing, at short notice.

Ritner, in 1836, Register for Lancaster county, which post he held for three years, and was also a justice of the peace for many years in Concatoga township. In all these positions he proved an intelligent and efficient officer, and was highly respected by all who knew him.

Dr. Thomas W. Evans, formerly of Lancaster city, but for a number of years past a resident of Paris, and Surgeon Dentist of the Emperor of France, was on a visit to Lancaster, says the Express, a few days since. He looks well and his numerous friends were pleased to learn that the honorable position which he has attained at the first Court of Europe, has not dimmed the recollection of the pleasant years he has passed in Lancaster in days lang-syne.

There was a very fine parade and display in Lancaster on Wednesday evening last. The Philadelphia Peoples' Club, numbering over a hundred, came to Lancaster with a band and joined in the meeting; the Lancaster Wide Awakes, to the number of nearly four hundred turned out with torches, transparencies, &c. The speaking and serenades we kept up uttil after midnight.

We understand, says the Lancaster Express, that Owen Hopple has leased the refreshment saloon of the new depot in that city. This saloon, with its culinary attachments and conveniences. will be very complete, and if properly managed, cannot fail to become, not only "a popular institution," but a handsomely paying investment to the proprietor,

Gentlemen: Your note of the 15th instant, has been received, saying that you had heard that I had been benefitted by the use of Wood's that I had been benefitted by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it due. My age is about 50 years; the cohor of my hair auburn, and inclined to curl. Some five or six years since it began to turn grey, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a 4th was added to them, by the hair falling off the top of my head and threatening baldness. In this unpleasant predicament. I was indu-

In this unpleasant predicament, I was indu-ced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really arrest the falling off of my hair, for I had really no expectation that grey hair could ever be restored to its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp and dandruff ceased to form on my head, very much to the gratification of my wife, at very much to the gratification of my wife, at whose solicitation I was induced to try it. For this, among many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to
