

Mariettian August 11, 1860.

A fatal railroad accident occurred on Wednesday afternoon last, almost immediately in front of our office. As the four o'clock local freight train was passing through this borough, several empty trucks were to be run into the Mehaffy side track; a man on the train named Barney McNellis, whose brother was the fireman of the train, volunteered to detach the trucks, after doing which, the sudden starting of the train threw him off the bumper of the rear car and before he could recover his feet the trucks passed over him, literally mashing his head into a jelly. He is from Altoona and had just completed a visit to this brother, who was recently married and lives in Columbia. The brother on viewing the mangled body, became almost frantic. The body was placed in ice and removed to the residence of the brother in Columbia, by the evening passenger train. He was unmarried, and about 30 years of age.

The Managers of the Lancaster County Agricultural and Mechanical Society held a meeting on Monday afternoon, for the purpose of making arrangements for their next annual Fair.

After considerable discussion upon the propriety of dispensing with the next annual Fair, the following resolutions were adopted:

Resolved, That in view of the enormous expense of holding Fairs, and the fact that nearly all the Fairs heretofore held in and about the city of Lancaster have resulted in a loss to the Managers, this Society deems it inexpedient to hold a Fair next fall, unless the citizens of Lancaster will contribute towards the expense thereof.

Resolved, That the President be authorized to appoint a competent person to call upon the citizens for contributions in aid of the Fair.

Resolved, That Messrs. Spencer and Row, together with the Secretary, be a Committee to prepare the premium lists, &c., for a Fair, to commence on the 25th of September next, provided the contributions of the citizens be sufficient, in their opinion, to authorize the same.

Our School Board has made the following appointments: High School, Isaac S. Geist. Secondary—Male, Theo. Hiestand. Secondary—Female, Miss Caldwell. Primary No. 3, Samuel Lyndsey. Primary No. 4, Miss Mary A. Turner. East Prospect, Edward David. Closed, no appointment.

We had by the Lancaster papers that "Woods' Kautz" instead of being a supplies agent has really been made a Quartermaster or Commissary for the corps of Engineers raised to ascertain and survey the boundary line between California, Utah and Oregon. The pay of Mr. Kautz, is \$1500 per annum with "pleakings," and it will require about two years to complete the survey.

A mass temperance meeting will be held in Herr's woods, near the borough of Strasburg, on Wednesday the 22nd inst., at 10 o'clock in the morning, and be continued in the evening in Massasoit Hall, in Strasburg. Revs. M. P. Gaddis and John Chambers, Jas. Black, Esq. and Dr. J. Marsh, are announced as speakers.

Our neighbors at Columbia have formed a Wide Awake Club, over a hundred names were signed to the Constitution at its first meeting. What is Marietta doing all this time? Why has't she a club? Who can answer?

Quite a lively excursion to the opposite shore took place on Wednesday evening. Noel's place is becoming the place for parties, and, really, we do not know as delightful a spot in the neighborhood.

A colored preacher named John Stout, living in Mount Joy, was killed by lightning, on Saturday last, while standing in his own yard. His body was brought to this place for burial on Sunday, followed by a large concourse of his colored friends.

The Marietta School Board in connection with the East Donegal board have determined to build a school house for colored children. See advertisement for proposals to build.

The Delegate election will take place at the Town Hall, this evening between the hours of 7 and 9 o'clock, to elect four delegates to represent this borough in the Peoples' Party County Convention which meets on Wednesday next.

The Columbia Spy entered its thirty-first volume on Saturday last. We are glad to learn the support given it is quite liberal. Amongst our first recollection of newspapers we have none beyond the old "Columbia Spy."

FINE MILITARY DISPLAY.—Brigadier General M. R. Witmer, having ordered the Second Brigade, Third Division, P. M., to meet in this city on Saturday last, for inspection and review, the Companies attached to the Brigade in the county, were formed into line in Centre Square, at 1 o'clock P. M., on that day, by Adjutant Locher the right resting on West King street. They were then reviewed by Brigadier General Witmer and Staff. The Companies composing the Brigade are as follows: Lancaster Fencibles, under the command of Captain Franklin; Jackson Rifles, Captain Hambricht; Maytown Infantry, Lieutenant Book; Washington Rifles, (Mount Joy) Captain Waltman; Manheim Rifles, Captain Ensminger; Safe Harbor Artillerists, Captain Hess.

Brigade Inspector Cox inspected the arms and accoutrements of the Brigade, all of which were found in good condition.

This was the finest military display we have witnessed in this city since the period when the "Lancaster City Battalion" flourished under the command of Major Frederick Hambricht, more than a quarter of a century ago.—Lancaster Union.

The Peoples' County Committee held a meeting on Monday afternoon last and resolved to have a grand mass meeting in Lancaster about the middle of next month. Upon motion of Dr. Kenegy of Strasburg the following resolution was unanimously adopted:

Resolved, That each member of the County Committee shall as soon as conveniently may be (if not already done) call a meeting at some suitable place in his District, for the purpose of organizing a Lincoln, Hamlin and Curtin Club—at which meeting there shall also (in addition to the other officers) be appointed a sub-committee of five who shall act in conjunction with the members of the County Committee, to canvass the District for the purpose of enrolling members to compose such club as well as to ascertain the State of the feelings of the voters relative to our cause, which shall be reported to the County Committee, at each stated meeting.

The Harrisburg Telegraph, of the 2d instant contains the following compliment to one of our Lancaster advertisers: "We were shown yesterday a specimen of watch repairing by a firm in Lancaster, that surpassed in mechanical execution, any similar work we have examined for a long time. The watch was literally 'smashed,' the rim that contains the crystal was lost, the pins that secure the face were also gone, and the works of the watch very much shattered. Messrs. H. L. & E. J. Zaun, of Lancaster, done the repairing of this watch, and in a manner, too, perfectly successful and satisfactory, if not better than it would have been done in any of the large establishments of New York and Philadelphia. We advise our friends, who have watches out of order that cannot be repaired in Harrisburg, to send them to this firm in Lancaster."

We are pleased to announce, says the Lancaster Union, that John Griffin, Esq., well known to many of our citizens as the former popular and esteemed manager of the Safe Harbor Iron Works, in this county, is doing good service in Chester county, where he now resides, for the good cause represented by our gallant standard-bearers. Like thousands of other old Whigs, he went off in 1835 to the support of Buck and Breck, but has become tired of the corrupt party and has returned to the fold. We welcome him back most heartily. By-the-by, the "Wheatland Club," that was—for it is as dead as a mackerel now—ought to hand over that cannon to our Wide Awakes!

The heavy storm on Saturday afternoon last, seems to have been quite severe in the neighborhood of Strasburg. It reached that point about five o'clock and was accompanied with loud peals of thunder and vivid lightning. About two miles northwest of Strasburg the lightning struck a tree on the farm of Jacob Rohrer, under which were some cattle, and four cows were instantly killed.

It is said that Kossuth and his family have arrived at Paris.
