Wide Awakes --- Attention ! The Marietta Lincoln Club will please meet at the Town Hall, this (Saturday) evening at half past seven o'clock. A full attendance is requested, as business of interest and importance will come before the meeting; especially that of procuring more uniforms and torches.

All persons who feel an interest in perfecting the equipments and operations of this beautiful and effective organization in our midst, as also those friends of Lincoln, Hamlin and Curtin who desire to unite with it, are also requested to attend the meeting.

It is desired that the name and residence of every friend of Freedom who needs naturalization, be handed to the proper Committee at this meeting, that proper measures may be taken to complete that work in due season. The time is short; let every one, therefore, who knows any such case report it imme-

Our Wide Awakes have shed not a little light and glory on our Borough. With something more than the old Rip Van Winkle spirit, they met for organization on Tuesday evening, the 11th inst., and enrolled 80 names. The next evening they met again and enrolled over 60 more. On the 13th, they collected \$142.00 for equipments. On the 14th the President of the Club went to Philadelphia and selected and engaged the uniforms and torches, On Monday he was telegraphed to, that \$30 more had | sylvania Canal, at Bainbridge, this county. been paid, and he engaged more equipments. READING AND COLUMBIA RAIRROAD .-The Directors of the Reading and Columbia Railroad met at Ephrata on the 13th inst. Capitalists from New York were present who offered to build the road, including grading, masonry and superstructure, making it ready for laying for \$600,000-\$79,000 less than the Engineer's estimate. They also offer to take \$400,000 of stock of the road in part payment, only asking the people along the line of the road to take \$200,000 of stock to secure its completion. Of this required sum \$140,000 is already subscibed. The Directors will meet again at Manheim on Tuesday, October 2nd, at which time a final answer must be given to the contractors.—Columbia Spy.

This is a purely vegetable compound, prepared on
strictly scientific principles, after the manner of the
celebrated Holland Professor, Burthave. Its reputation
at home produced its introduction here, the demand
commencing with those of the Fatherland scattered
over the face of this mighty country, many of whom
brought with them and handed down the tradition
of its value. It is now offered to the American public,
knowing that its truly wonderful medicinal virtues
must be acknowledged.

It is navigually recommended to those persons

must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system. NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful atomatic cordial, possessed of singular remedial properties.

READ CAREFULLY! The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles/for Five Dollars. HOLLOWAY'S PILLS.

NERVOUS DISORDERS. What is more fearful than the breaking down of the nervous system? To be exciteable or nervous in a small degree is most distressing, for where can a remedy be found?—There is one:—drink but little wine, beet, or spirits, or far better, none; take no coffee,—wask to heing preferable; set of the fersion. spirits, or far better, none; take no coffee,— weak tea being preferable; get all the fresh air you can; take tree or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these goldon rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

MOTHERS AND DAUGHTERS. If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required. SICK HEADACHES AND WANT OF AP-

PETITE

These feelings which so sadden its, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS. In all diseases affecting these organs, whether they secrete too much or too little water; or whethor they be afflicted with stone or gravel or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed direc-tions, and the Ointment ahould be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER. No medicine will so effectually improve the one of the stomach as these Pills · they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in case of spasm,—in fact they never fail in curing all disorders of the liver and Stomach.

Holloway's Pills are the best remedy known in the world for the following diseases. Ague, Dropsy, Inflammatic Asthma. Dysentery, Jaundice, Bilious Complaints, Erysipelas, Liver Com-Inflammation.
