It will be built on the vacant lot on the north side of the track near the Schuylkill, and will be five hundred feet long, and no doubt one of the handsomest and most commodious depots in the country. When that is completed the passengers will be carried into the city on the passenger city railway, which will be more pleasant and expeditious than under the present arrangement of running the heavy cars down to 11th and Market.

The author has thoroughly analyzed his subject, and has shown, among other things, that all the letters, both of the upper and lower case alphabets, spring from five elements or movements, which elements, or movements, become the first copies for the pupil to practice from. The pupil simply by reading and understanding the "Penman's Manual," becomes a good judge and able critic of writing. This fact alone is one of the strongest and most conclusive proofs of the system's superiority over all others, and we bebieve that we can give no better advice to those who wish to become good penmen, than to purchase this " Manual," and carefully study it. The great celebrity and the increasing demand for this unequalled preparation, convinc e the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It cleanses the head and scalp from dand-ruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore, the growth to those parts which have become bald, causing it to yield a fresh covering of hair. In all diseases affecting these organs, whether they secrete too much or too little water; or whethor they be afflicted with stone or gravel or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Cintment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when, all other means have failed.
