## BŒRHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR Dyspepsia,

DISEASE OF THE KIDNEYS. LIVER COMPLAINT, WEAKNESS OF ANY KIND,

## FEVER AND AGUE. And the various affections consequent upon a discretered STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Hearburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgie Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. It is now offered to the American public, knowing that its truly wonderful medicinal wirtues must be acknowledged.

It is particularly recommended to those persons

must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drouping spirit, and, in fact, infusing new health and vigor in the system. NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY! The Genuine highly concentrated Resthave's Holland Bitters is put up in half-pint bottles only, and setailed at Our Doulan per bottle, or six bottles for Five Doulans. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

It is written in plain language for the general reader, and is illustrated with numerous engravings. All young marriage people, or those contemplating marriage, ried people, or those contemplating marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with; still it is a book that must be locked up, and not lie shout the house. It will be sent to any one on the receipt of twenty-five cents, in specie or postage stamps. Address Dr. Wm. YOUNG, No. 416 Spruce st. above 4th, Philadelphia, Pa.

AFFLICTED AND UNFORTUNATE: No matter what may be your disease before you place yourself under the care of any one of the no torious quacks—native or foreign—who advertise in this or any other paper, get a copy of either of Dr. Young's Books, and read it carefully. It may be the means of saving you many a dollar, your health, and possibly your life.

Dr. Young can be consulted on any of the diseases described in his publications, at his office, No. 416 Spruce-st., above Fourth.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost every conceivable case.

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:
In Debitity, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhea, Dysentery, Incipient Consumption, Scrofulous Tuburculosis, Salt Rheum,
Mismenstruation, Chlorosis,
Whites, Live Complaints,
Chronic Headaches,

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from inution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sanguineous explanation critical changes and guineous exhaustion, crittical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the phy-

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overheating; and gently, regularly aperient, even n the most obstinate cases of costiveness without ever being a gastric nursative, or inflicting out ever being a gastric purgative, or inflicting disagreeable sensation.

In Dispensia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent Costiveness. In unchecked Diarrhea, even when ad-

In unchecked Diarrhæa, even when advanced to Dysentary, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammait has been invariably well reported, both as

alleviating pain and reducing the swellings and stiffness of the joints and muscles. In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and use-
