STRENGTH OF THE SARDINIAN NAVY .-A letter from Genoa in the Gazette de France asserts that the Sardinian navy | nearing State Line City, a large deer is now the first in Europe, after those of sprang on the road a few rods in advance England and France. Piedmont, it says, of the iron-horse, and went dashing down has already thirty ships of war, Garabal- the track with a velocity which bid fair di has annexed twice as many at Naples, at that time to outstrip the train. The among them two line-of-battle ships, the engineer observed that his deership dis-Vicivio and the Monarca. The Gara- played a desire for a race, and immediatebaldian navy in the waters at Sicily had ly increased the steam on the engine, can and others-given, bought, or captured. Besides this, the letter says that Piedmont, not expecting so large an accession of naval force, had made contracts in Fngland for eight large steamers, two of which are already delivered, and also for an equal number of transports. All these things considered, the Gazette de France reckons the Sardinian navy as consisting, or soon to consist, of nearly one hundred and forty men-of-

The Emperor Napoleon, in a speech at Algiers, during his late visit there. gave his ideas of what constitutes civilization. He said: "Providence requires us to extend over this land the benefits of civilization. Now, what is civilization? It is to consider happiness as something, the life of man as much, and his moral perfection as the greatest good. Thus, to elevate the Arabs to the dignity of free men, to spread among them instruction, at the same time respecting their religion; to ameliorate their condition by raising from the earth all the treasures which Providence has deposited there, and which a bad government would leave sterile; such is our mission and we shall not fail in it."

The New Albany Ledger informs us that two men named John Storms and pressors of "female politician," and of John Brewer were digging a well near free speech and free presses generally, Elizabethtown, Harrison county, Ind., of all its inhabitants whilst the imperial would introduce in our land, remind one on Thursday last, and while one of them was being drawn up out of the well in a what reason; but the proprietors, for tub. he was struck with the foul air and vacating it, received from the authorities village on a frosty morning, when every fell to the bottom, killing him instantly. The man who was at the windlass was lowered into the well, and before he ful to the police. reached the bottom was struck dead in the same manner. The two men were -but all were chained to the earth by taken out by means of hooks, their bodies the frost. "A pretty free country this! and faces horribly mutilated. Brewer his own step-mother, who singularly men did "meddle with politics"—did (said the indignant and baffled Patrick,) had married a sister of Storms only two

How Yancer Killed his Uncle: Parson Brownlow, in his paper, The Knox-The fact that Wm. L. Yancey killed

details have not been given. Dr. Earle lived one mile and a half west of Greenville, where his widow still resides, if My Dear Friend Mr. Theodore Wa slive. A few hundred yards distant is She can not publicly speak and vote arrived at this place on the 7th instant, an old field, sometimes used for practiche had slapped his jaws for him. Dr. on all those subjects which thrill her before us. I am much obliged to you Earle replied that he had served him to return and go to Anapolis to study | Yancey had lied to him, he returned to Greenville in search of him. Yancey, knowing the pluck of Dr. Earle, and that he would be detected in the falsehood, prepared himself for a fight. Dr. Earle found Yancey on Dr. Crittenden's porch, and in marching upon him, was shot down by Yancey with a pistol. These are the facts, as we have them from one sorry that it was to late for they were all raised in that vicinity. The fact that he gone but I will be sure to send them to was convicted upon trial and imprisoned, and afterward became the subject of Executive clemency, corroborates the truth of this version.

> A Novel Deer Hunr -A few mornings since, whilst the east-bound express train on the Great Western road was hight or ten steamers-English, Ameri- which, in a very short time, placed the pilot in close proximity to the rear of the almost flying animal. But he yet insisted upon keeping the track. In amoment or two, however, the cowcatcher struck him with such a force that elevated him to a height on the level with the smokestack, striking the top of which he fell upon the headlight, which was broken off and dashed to pieces by the concussion. The train was stopped and the object of the chase taken on board, lifeless. He was a hage fellow, weighing one hundred and ninety pounds, and laving extraordinary large antilers, a branch of which measured sixteen inches.

> > The Paris correspondent of ahe London Times allindes to the constant. fear of his life in which the Emperor of . the French lives, of the Carbonari. During his late trip to his new dominions every care was taken to get suspicious characters out of the way. One very curious means of ensuring his safety was resorted to; it was that of foreing the owners of houses within a certain distance of the imperial residence to giveup the keys of their cellars to the police. These individuals were forced, during the whole visit and for some days before to ask for their keys every time they needed a bottle of wine; and on such occasions a policeman was sent with them to fetch it. A certain house in the Place Victoire, in Nice, was emptied visit lasted nobody knew for precisely the sum of 60,000 francs; the house, it is supposed, having been in some way use-

Not long since, a man in Sank county, Wis., married for his second wife enough, was a sister of his first wife.-The lady is, therefore, not only step-mother and aunt to her husband's children, An old Jackson man's reasons for but also their grandmother, while the Her issue by this marraige, will be not only own cousins to their step-brethers, but uncles and aunts also. And the lady dren and nephews, may be regarded as fore her own grandmother.

Always do as the sun does look the now illustrieus hero a tract of land, pendants that we are like cog-wheels at the bright side of everything. For We are not discussing women's rights which qualified him to receive the office, pushing each other along by filling up, while it is just as cheap, it is three times as good for digestion.
