Chalybeate Restorative Pills of Iron.

A N aperient and Stomachie proparation of Iron purified of Oxygen and Carbon by combustion in Hydrogen. Sancti and by the highest Medical Authorities, both an Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost

complexions, indicate its necessity in almost every conceivable case.
Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:
In Debility, Nervous Affections, Emaciation,
Dyspepsia, Constipation, Diarrhea, Dysentery, Incipient Consumption, Scrofulous Tuburculosis, Salt Rheum,
Missangstration, Chlorosis.

Mismenstruction, Chlorosis, Whites, Live Complaints, Chronic Headaches, Rheumatism, In-termittent Fe-vers, Pimples on the

face, &c.
In cases of General Debility, whether the rein cases of ceneral Deoutly, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no has proved successful to an extent which ho description nor written attestation would rend-er credible. Invalids so long bed-ridden as to have become forgotten in their own neighbor-hoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers, emaciated victims of apparent marasmus, sa guineous exhaustion, crittical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the phy-

sician has no name. In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be alutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and over heating; and gently, regularly aperient, even st obstinate cases of costiveness without ever being a gastric purgative, or inflicting

disagreeable sensation. It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency

forms them. In Dispensia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent Costiveness. unchecked Diarrhaa, even when ad-

vanced to Dysentary, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remitten, hectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and in-

eresting instances,
In Scrofulous Tuberculosis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known lia-

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them. In Rheumatism, both chronic and inflammatory-in the latter, however, more decidedlyit has been invariably well reported, both as

alleviating pain and reducing the swellings and stiffness of the joints and muscles. In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and use-

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects.— Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately

A VAILS himself of this opportunity of announcing to the citizens of Marietta and vicinity, and his friends and the public in general, that he has taken the old stand of the late F. J. In addition to a complete

assortment of French, German and American Cloths, Cassimeres and Vestings, which will be promptly made to order in a sub-stantial and fashionable manner, or according to such styles as to his patrons may be most desirable. The Forcign and American Fall and Winter Fashions received, in addition to

Prof. O. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—

perfect test:—
During the year 1854, I was so unfortunate as to be thrown my sulky against a rock near the roadside, from which my head received a the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovored its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every perseription advanced.

These and no other circumstances induced. me to resort to your worthy Hair Restorative, me to resort to your worthy hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not a little.

Dear Sir:—I feel it my duty as well as my
pleasure to state to you the following circumstance, which you can use as you think proper.
A gentleman of this place, (a lawyer,) has
been held ever since bisearty youth. been hald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your hair "Hair Restorative," which he liked very much; and Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.,

Wood: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the ap-plication of your "Hair Restorative" it soon

was tapidly eccoling gray, but apont the application of your "Hair Restorative" it soon recovered its original hue. I consider your restorative as a very wonderful invention, quite efficacious as well as agreeable.
