For Remercy remaining. For Remercing Scurf and Dandruff, and all cutaneous affections of the Scalp. For Beaulifying the Hair, imparting to it an unequalled gloss and brillancy, making it roft aud silky in its texture and causing it to curl readily.

The great celebrity and the increasing de-mand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It cleanses the head and scalp from dand-

dualities over another pleparation at period and ruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thiuning, it will give strength and vigor to the roots, and restore the growth to those parts which have become baid, causing it to yield a freah covering of hair. There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his pos-session letters innumerable testifying to the above facts, from persons of the highest respec-tibility. It will effectually prevent the hair from turning gray until the latiest period of life; and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore to its original hue, giving it a
