Gicc aside, and give your thair Restorative a perfect test :-During the year 1854, I was so unfortunate as to be thrown my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of ir-ritation, which communicated to the brain and water the surface of the head form the offert external surface of the head, from the effects of which my hai, was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time state of the head. I refor the time state of the time of the disappearance, I employed everything I could think of, being a profes-sional man myself, and, as I thought, under-standing, the nature of the disease, but was finally defeated in every perscription advanced. finally defeated in every perscription advanced. These and no other circumstances induced meta, resort to your, worthy. Hair Restoratives, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair, as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear air; I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I fatter myself to say, is not a livitle.

Multer I, faiter myself to say, is not a little. You can publish this if you think proper. Yours, very respectfully, M. J. WRIGHT, M. D. Office of the Jeffersonian, Philippi, Va., December 12th, 1858. Dear Sir :-- I feel it my duty as well as my pleasure to state to you the following circum-

pleasure to state to you the following circum-stance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since hisearly youth ; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your haur "Hair Bestortug 2 which he lited your haur bestor was induced to use a bottle of your hair "Hair Restorative," which he liked very much ; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is vory well known in our adjoining counties, many persons can tes-tify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in Itis and the adjoining counties if you have the this and the adjoining confities if you have the proper agents. Yours &c., THOMPSON SURGHNOR.

DR. WOOD: Dear Sir: Permit me to express the obligations I am under for the entire res-toration of my shair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the ap-plication of your "Hair Restorative" it soon

plication of your "Hair Restorative" it soon recovered its original hue. I consider your re-storative as a very wonderful Invention, quite efficacious as well as agreeable. S. THALBERG. THE RESTORATIVE is put up in bettles of three sizes, viz: large, medium, and simall; the small holds 1-a pint, and retails for \$1 a bottle; the medium holds at least twenty per cent more in proportion than the small, retails for \$2 per bottle; the large holds a ouart. 40 ner cent
