HOLLOWAY'S OINTMENT. Bad Legs, Bad Breasts, Sores and Ulcers.

All description of sores are remediable by the An useription of sores are remensione by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy dis-cased condition remains underneath to break out with tenfold fury in a few days. The only rational and successful treatment, as indicate by nature, is to reduce the inflammation in and about the wound and to soothe the neighboring parts by rubbing in plenty of the Ointment as salt is forced into meat.

Diptheria, Ulcerated Sore Throat, and Scarlet and other Fevers.

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon pepetrate, and give immediate re-lief. The Journal'the present week, however' has found another claimant for the honor, in the person of Miriam Coles, who is young and beautiful, and is the "veritable author of Rutledge."

Mr. Eagle's new residence has also been infested with poultry thieves-a midnight visit during the past week relieved his premises of six turkeys and twenty chickens, He was not as fortunate, however, as Mr. Carroll, for he did not recover his game.

HOLLOWAY'S PILLS AND OINTMENT .--- Doubt at an end. Consumption .- Can consumption be cured ? is a question that has long agitated the medical world-the answer is of vital importance to the community at large. The numerous cases of prevention resulting from the timely use of Holloway's Pills and Ointment, together with the actual cures of many in an advanced stage should seem to indicate a positive reply to the above query. It is a well known fact that the Ointment will arrest inflammation in its most rapid progress-so that

if well rubbed into the chest and back it will penetrate to the very lungs and prevent the spreading of the disease ; while the Pills by their anti septic action will restore the organs to a sound and healthy condition. Delays are

symptom of the disease. To CONSUMPTIVES: The advertiser having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe Lung affection, and that dread disease, Consumption, is anxious to make known to his fellow sufferers the means of cure. To all who desire it he will send a copy of the prescription used, [free of charge] with directions for preparing and using the same, which they will find a sure cure for Consumption, Bronchitis, &c. The only object of advertiser in sending the prescription is to benefit the afflicted, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing. Parties wish-
