The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It clearises the head and scalp from dand ruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will the roots, and restore give strength and vigor to the roots, and restore give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds of ladies and gentlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in his pos-cession, letters invigorated testifying to the

preparations had failed. L. M. has in his pos-session letters innumerable testifying to the above facts, from persons of the highest respec-tibility. It will effectually prevent the hair from turning gray until the latest period of life and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore to its original hue, giving it a dark, glossy appearance. As a perfume toilet and a Hair Restorative it is particularly rec-omnended, having an agreeable fragrance and a Hair Restorative at its particularly rec-oramended, having an agreeable fragrance; and the great facilities it allords in dressing the hair, which, when moist with the Invigo-rator can be dressed in any required farm so as to preserve its place, whether plain or in curls
—hence the great demand for it by the ladies
as a standard toilet article which none ought to be without, as the price places it within the

reach of all, being Only Twenty-five Cents per bottle, to be had at all respectable druggists

and perfumers.
L. Miller would call the attention of Parents and Guardians to the use of his Invigorator, in cases where the childrens' Hair inclines to be weak. The use of it lays the foundation for a good head of hair, as it removes any impurities that may have become connected with the scalp, the removal of which is necessary both for the health of the child, and the luture ap-

for the neath of the child, and the luture appearance of its Hair.

COMMENDATIONS:

From Hon. Lewis D. "Campbell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this.

ways, but I have never vetures and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Haly.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and patronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of these disposed to encourage the beautiful art. encourage the beautiful art.
