Raby Constructions given in the art of Photog-raphy. R. NEWELL, Gallery of Art, 724 Arch St., Philadelphia. COMMENDATIONS: From Hon. Lewis D. Campbell, M. C., Ohio. My family and friends all concur in the opin-ion that the (Newell) Picture is more life-like then anything they ever sever. My therapeat than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which presents so true to nature, all the features and ex-

sents so true to nature, all the features and ex-pressions of countenance as this. From Hon. E. Joy Morris, late Minister to Italy. The exquisite finish, beauty and softness of your portraits, conjoined with their dyrability of color and faithfulness as likenesses, cannot fail to commend them to the attention and pa-tronage of all who appreciate true art. From Col. James Page. Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recom-mend him to the patronage of these disposed to

It is written in plain lan-guage for the general reader, and is illustrated with numerous engravings. All young mar-ried people, or those contemplating marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with; still, it is a book that must be locked up, and not lie about the house.
