A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. Thy friend, Susannah Kirby.
Ligonier Noble Co., Indiana, Feb. 5, 1859.
Prof. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be turprised when I tell you that upon my return to the State of Indiana, my mere casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were ance, as my more intimate acquaintances were to recognise me at all.

I at once made application to the most skillat once made application to the most skill-ful physician in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that ime, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy. As a mark of my gratitude for your labor and skill in the production of so wonderful an article. I have recommended its use to many o

anticle, I have recommended its use to many o my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully yours, A. M. LATTA, Attorney and Counsellor at Law.

THE RESTORATIVE is put up in bettles of three sizes, viz: large, medium, and small; the small holds \(\frac{1}{2}\)-a-pint, and retails for \(\frac{1}{2}\)1 a bottle the medium holds at least twenty per cent more in proportion than the small, retails for \(\frac{1}{2}\)2 pe bottle; the large holds a quart, 40 per cent more in proportion, and retails for \(\frac{3}{2}\)3.

COMMENDATIONS:

COMMENDATIONS:
From Hon. Lewis D. Campbell, M. C., Ohio.
My family and friends all concur in the opinion that the (Newell) Picture is more life-like than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which presents so true to nature, all the features and expressions of countenance as this. pressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and pa tronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of these disposed to encourage the beautiful art.

For Beautifying the Hair, imparting to it an unequalled gloss and brillancy, making it roft and silky in its texture and causing it to curing all.

The great celebrity and the increasing demand for this unequalled preparation, convince the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over another preparation at present in use. It cleanses the head and scalp from dandruff and other cutaneous diseases. Causes the hair to grow luxuriantly, and gives it a rich, soft, glossy and flexible appearance, and also where the hair is loosening and thinning, it will give strength and vigor to the roots, and restore the growth to those parts which have become bald, causing it to yield a fresh covering of hair. There are hundreds of ladies and gentlemen

in New York who have had their hair restored by the use of this Invigorator, when all other preparations had failed. L. M. has in hispossession letters innumerable testifying to the session letters innumerable testifying to the above facts, from persons of the highest respectibility. It will effectually prevent the hair from turning gray until the latest period of life and in cases where the hair has already changed its color, the use of the Invigorator will with certainty restore to its original hue, giving it a dark, glossy appearance. As a perfume toilet and a Hair Restorative it is particularly recommended, having an agreeable fragrance; and the great facilities it affords in dressing the hair, which, when moist with the Invigorator can be dressed in any required form so as to preserve its place, whether plain or in curls to preserve its place, whether plain or in curls—hence the great demand for it by the ladies as a standard toilet article which none ought to be without, as the price places it within the reach of all, being
