COMMENDATIONS:

From Hon. Lewis D. Campbell, M. C., Ohio,
My family and friends all concurin the opinion that the (Newell) Picture is more life-like
than anything they ever sawe. My likenoses than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which pre-sents so true to nature, all the features and expressions of countenance as this.
From Hon. E. Joy' Morris, late Minister to

Italy.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and paronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recommend him to the patronage of these disposed to encourage the beautiful art.
