I will give him a letter, provided any friend of mine is appointed Coland the friend of the boy.

The Vicksburg Whig regrets that no report of the discussions at Montgomery, on the formation of a permanent Confederacy, has been preserved. Un doubtedly this omission was intentional to form a part of the history of the times.

A young German died of lock-jaw at San Frantisco a short time since. He had slightly punctured his left hand amid the muscles between the fore-finger and thumb, and thinking the wound of little import, neglected it until tetanus had supervened. Death by lock-jaw is terrible and nearly resembles that from hydrophobia.

A young German, who drives a stage between Mud Springs, Eldorado county, and Drytown, Amador county, California, recently received news of the death of an uncle in Germany, and the heritage of property of the value of \$20.000. and \$2,000 in cash besides.

HOLLOWAY'S PILLS. NERVOUS DISORDERS.

What is more fearful than the breaking own of the nervous system ? To be exciteable or nervous in a small degree is most distressing, for where can a remedy be found ?--There is one :--drink but little wine, beer, or spirits, or far better, none; take no coffee, weak tea being preferable; get all the fresh air you can; take tree or four Pills every night; eat plenty of solids, avoiding the use of slops; charge of public institutions for the sick and and if these goldon rules are followed, you suffering to look well into the well attested will be happy in mind and strong in body, and orget you have any nerves.

MOTHERS AND DAUGHTERS. If there is one thing more than another for which these Pills are so famous it is their puri-fying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

SICK HEADACHES AND WANT OF AP-PETITE.

These feelings which so sadden us, most fr-e juently arise from annovances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS. In all diseases affecting these organs, wheth-er they secrete too much or too little water; or whethor they be afflicted with stone or gravel or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment abould be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER. ³ No medicine will so effectually improve the one of the stomach as these Pills - they remove all acidity, occasioned either by intemperance or improper diet. They teach the liver and reduce it to a healthy action; they are wonderfully efficacious in case of spasm. fact they never fail in curing all disorders of the liver and Stomach.

Holloway's Pills are the best remedy known in the world for the following diseases.
