The Yocal Mariettian.

SATURDAY, MAY 4, 1861.

We did not issue a paper last done, however, to immediately supply Lancaster and elsewhere, and to all our ted it may be. inquiries for help the only answer we received was "the idle printers have all enlisted-none out of work here"_ this was very unusual for us to hear, for we have always had more applications for work than we could possibly grant. Fortunately, however, on Thursday and Friday we received a couple of accessions and to-day we push forth again .-This deficit shall not be charged to our subscribers, for we will give fifty-two numbers to the year, and will extend volume 7 to July 20th. Since our last issue, our town has been in the greatest military enthnsiasm—meetings every evening for the purpose of filling up the ranks of the Mount Joy Rifles and the Maytown Infantry, which once done a Maytown Infantry, which once done a new company called the " Marietta Cameron Guards," numbering 84 men, rank and file, with J. N. Congdon, Esq., for captain, II. H. Sawyer and J. Scott Patterson, first and second lieutenants, was formed and are now stationed at "Camp Curtin," awaiting further orders. In our next we will endeavor to give a list of the names attached to these companies. The borough is nightly patrolled. A " Home Guard," under Dr. (late Brigadier General) John H. GROVE, is being nightly drilled in the Town Hall Park. In a word, we are by no means behind our neighbors.

The Spring business may be said to be closed up. A more complete failure in the lumber business at this noint, is not within the reccollection of the oldest inhabitants.

MARIETTA RELIEF COMMITTEE .- That the families of the brave men who have

Matilda Bailie, Mrs. Mary Moore, and Miss Elizabeth Cassel, with power to add to their number such as they may

This Committee met the next day and organized by constituting CAPT. SAMUEL D. MILLER, PRESIDENT

James Wilson, Esq., Treasurer;
Rev. A. B. Grosh, Secretary.
They also appointed the following as

visitors and collectors for the following wards or divisions:

First—all west of Gay street—Miss
Bailie and Mrs. J. W. Clark.

Second-between Gay st., and Walnut st., and Elbow lane-Mrs. Moore and Mrs. Dr. Hinkle.

Third-between Walnut st., Elbow

ine and Bank st .- Miss Cassel and Miss Eliza Hopkins.

**Fourth—between Bank st., and Chicques'—Mrs. S. F. Eagle and Mrs. Krout.

These will collect one third of the several sums subscribed forthwith, (while visiting the families,) as the necessities of the Volunteers themselves, at their departure, exhausted all the cash paid in, and some of the families need immediate relief. All subscribers, therefore, are requested to pay at least one third on call—more, will be gladly received, and if all is paid it will save some trouble to the lady collectors, whose duties to some 25 or 30 families is likely to take and if the lady collectors. to take up all their leisure time. Will

gentlemen plese notice? These ladies are also authorized to receive new subscriptions. Gentlemen wishing to enlarge, or not yet favored with an opportunity, will please avail themselves of their first meeting with any of these ladies, thus to preform the handsome and generous duty of "serving their country," and "sustaining the gov ernment" against the thieving, piratical and murdering traitors of the C. S. A.

For the present, the Committee pro pose to meet weekly to receive the reports of the visitors and provide relief A. B. G. for applicants.

To our Courry Friends .- It has been suggested to us, that many furmers in our vicinity would be pleased to aid us in supplying the wants of the families of Volunteers; and we therefore request them to deposit at any of our stores, where they usually deal. (Messrs. Diffenbach, Spangler & Patterson, and Abm. Cassel,) subject to our order, such articles as they can spare and we can use. Dried fruits, cured meats, potatoes, flour, &c., will always be accept

In such donations we feel that all can unite to whom God has granted means, and hearts to bestow them. They are not such donations as can be used to promote war or bloodshed, destruction or ruin; but go to families - to the aged parents, the lone wife, the helpless children-and hence all can unite in this work; for "the Son of Man came, not to destroy men's lives, but to save them." Who will refuse to unite in this work?

An aged and conscientious Friend (or Quaker), on being asked for aid to build a new church on the site of an old one yet standing, said—"Thee knows that my principles will not allow me to aid in building a steeple house. I cannot, therefore, aid thee. But it is not against my principles to help pull down steeples. I will therefore give thee fifty dollars to help pull down the old steeple house." Now, this feeding of destitute families we feel to be a better work than pulling down steeples; and we therefore ask the aid of cur country friends in

A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions and the bald spot is now covered with hair thick the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Prop. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be urprised when 1 tell you that upon my return to the State of Indiana, my mere casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognise me at all.

I at once made application to the most skillful physician in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the wore 1857 Jour Better the reason.

HOLLOWAY'S PILLS.

NERVOUS DISORDERS.

What is more fearful than the breaking down of the nervous system? To be exciteable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you can; take tree or four Pills every night; eat plenty of solids, avoiding the use of sloops; and if these goldon rules are followed, you will be happy in mind and strong in body, and orget you have any nerves.

MOTHERS AND DAUGHTERS NERVOUS DISORDERS.

MOTHERS AND DAUGHTERS. MUTHERS AND DAUGHTERS.

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weeken the system, and always bring about weaken the system, and always bring about SICK HEADACHES AND WANT OF AP-

PETITE.

These feelings which so sadden us, most free quently arise from annoyances for trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear bead. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS.

DISORDERS OF THE KIDNEYS. In all diseases affecting these organs, whether they secrete too much or too little water; or whethor they be afflicted with stone or gravel or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment ahould be well rubbed into the appell of the back at hed time. into the small of the back at bed time. This treatment will give almost immediate reliet when all other means have failed.

FOR STOMACHS OUT OF ORDER. No medicine will so effectually improve the all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in case of spasm,—in fact they never fail in curing all disorders of the liver and Stomach. Holloway's Pills are the best remedy known

in the world for the following diseases. Dropsy, Inflammation,
