

MARIETTA CAR HORNS: The following is the starting time from this place: Going East, 7:50 a. m. Harrisburg Accommodation, 5:16 p. m. Going West, 11:41 a. m. Harrisburg Accommodation, 6:53 p. m. A train will leave Columbia at 1 o'clock and connect at Lancaster with the Fast Mail East, and leave Lancaster for Columbia at 2:45 p. m.

SATURDAY, MAY 18, 1861.

On Monday next the Marietta Union Hook and Ladder Truck will be delivered into the hands of the committee, on which occasion there will be a grand fireman and citizen dress parade. The route &c., will be found in another part of to-day's paper. In the evening a ball will be given at the Town Hall, the proceeds of which are to go into the "Volunteer fund." This will be a grand Whit-monday for our place. Fire companies from our surrounding neighbors are coming, and the several societies of our place are to participate.

We are glad to be able to announce the discontinuance of the Chickis post office, located about half-a-mile east of this borough, on the Pennsylvania Railroad. This place has always been considered a secession nest, the postmaster, Dr. Haldeman, having only thrown out the American flag after a committee had waited on him and demanded his colors. His brother, a professor, sometime since openly, and with an air of learned consequence, said he owed no allegiance to the North; for this piece of chivalry, however, he was compelled to leave the neighborhood between two days. It is really a relief to know such men are no longer employed under the stars and stripes. "Place a whip in every honest hand, and lash them naked through the land."

A new company is now drilling three times a week, at the Town Hall; they now number over forty of our most active and energetic young men. We understand they will to-night decide upon a name and officers. Up to this time they have been drilling under E. D. Roath, Esq., who has had considerable military experience, and who will, in all probability, be their captain. It is their intention to uniform and equip themselves—rifle and all—in order to be in immediate readiness and thus avoid the usual government delay in furnishing. They will then offer their services to the government—for any period that may be required. This is the proper course—no half-way work. From the material we know this company to be composed, we confidently predict the right kind of work, should an opportunity present itself. We hope to be able soon to announce that it is full.

Captain Theodore D. Cochran, of the York Volunteers, was recently invited to accept a field appointment, by the unanimous vote of the officers of the Sixteenth Regiment, which he declined preferring to remain with his company. He is one of many gallant Pennsylvanians who distinguished themselves on the bloody fields of Mexico.

Lewis Haddy of Lancaster, intends to erect a beautiful marble stone, to mark the resting place of Corporal Hostack, a member of the First Regiment Ohio Volunteers, who died while encamped near that city. The stone is of the best Italian marble, and the finish, inscriptions, &c., upon it will be in the best style of art.

A CARD. JOHN CAMERON, M. D., Hygienic Physician & Accoucheur, Corner of Front and Gay Streets, MARIETTA.

The Only Preparation that has stood THE TEST OF YEARS, And grows more and more popular every day.

AND grows more and more popular every day! A day's trial, and testimonials, new, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle-Creek, Mich., Dec. 21st, 1853. Prof. Wood:—I feel it my duty to accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life, and the loss of my hair, and dependence, I have not been able to obtain stop for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to purchase of thee a bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions and the bald spot is now covered with fair thick and black hair, and also about the crown of my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being desirous of means to purchase any more, I would ask thee if thou wouldst not be willing to send me an order on thee agents for a bottle, and receive to thyself the scripture declaration—"the reward is to those who are kind to the widow and the fatherless." Thy friend, SUSANNAH KIRBY, Ligonier Noble Co., Indiana, Feb. 5, 1859.

Prof. O. J. Wood: Dear Sir:—In the latter part of the year 1857, while attending the State and National Convention of the Sons of Liberty, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months the whole upper part of my scalp was almost entirely bereft of covering, and I must have been obliged to part upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my mere casual acquaintance with thee, and my desire to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physician in the country, but receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have continued its use, and my hair is now restored, and as a result, have a rich coat of very soft black hair, which no money can buy. As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully yours, A. M. LATTA, Attorney and Counselor at Law.

THE RESTORATIVE is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for \$1 a bottle, the medium holds least twenty per cent more; the large holds a quart, 40 per cent more in proportion, and retails for \$3. O. J. WOOD & CO., Proprietors, No. 44 Broadway, New-York, and 111 Broadway, New-Louis, Mo. And sold by all good druggists and fancy goods dealers. [P. 7-4-3x.]

HEALTH AND ITS PLEASURES! OR, DISEASE AND ITS AGONIES! CHOOSE THEM.

HOLLOWAY'S PILLS. NERVOUS DISORDERS. What is more fearful than the breaking down of the nervous system? To be excited or nervous in a small degree is most distressing, for where can a remedy be found? There is one—drink but little wine, beer, or spirits, or far better, none; take no coffee, weak tea being preferable; get all the fresh air you can; take two or four Pills every night; eat plenty of solids, avoiding the use of starchy and fat golden rules are followed, you will be happy in mind and strong in body, and regret you have any nerves.

IF there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing all disease and suppurated secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required. SICK HEADACHES AND WANT OF APETITE.

These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural result, the evacuation of the bowels, the relief of the East and West India fevers, and any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS. In all diseases affecting these organs, whether they secrete too much or too little water; or whether they are afflicted with stone or gravel or with a disease which settles in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed time. This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER. No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and regulate its action; they are wonderfully efficacious in case of spasms; in fact they never fail in curing all disorders of the liver and Stomach.

Holloway's Pills are the best remedy known in the world for the following diseases. Ague, Dropsy, Inflammation, Asthma, Dysentery, Jaundice, Bilious Complaints, Erysipelas, Liver Complaints of the Feet, Itch, Rheumatism, Skin, regularities, Lumbago, Bowel Complaints, Fevers of all Piles, Colic, kinds, Rheumatism, Constipation of the Bowels, Retention of Urine, Head-ache, Scrofula, or Debility, Indigestion, King's Evil, Stone and Gravel, Tumours, Scrofula, Secondary Symp. Ulcers, Gonorrhoea, A- Worms of all kinds, Weakness, &c.

CAUTION.—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON" are discernible as a Water-mark in every copy of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious. Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cents and \$1 each. There is considerable saving by taking the Pills in bulk. Directions for the guidance of patients in every disorder are affixed to each box. [7-8]
