Every business man and family should use the control of view of vital energy, pale and otherwise sixty. of vital energy, pale and otherwise sickly complexions, indicate its necessity in almost every conceivable case. Innoxious in all maladies in which it has

Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz: In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhea, Dysenterry, Incipient Consumption, Scropiulous Tuburculosis, Sult Rheum, Mismenstruation, Chlorosis, Whites, Liver Complaints, Chronic Head achies, Physmatical Livers, Birm. aches, Rheumatism, Intermittent Fevers, Pim-

acnes, Raeumansm, intermittent Fevers, Pimples on the face, &c.
In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no has proved successful to an extent which has description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female Sufferers; emaciated victims of apparent marasmus, sanc guineous exhaustion, critical changes, and that complication of nervous and dyspeptiaversion to air and exercise for which the phy-

aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vizorously tonic, without being exciting and overheating; and gently, regularly aperient, even in the most obstinate eases of costiveness without ever being a vastic ourgative, or inflicting out ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others,

which makes it so remarkably effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dispepsia, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent Costiveness.
In unchecked Diarrhaa, even when ad-

vanced to Dysentury, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength,

debilitating cough, and remitten, hectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and Physicians, in several very gratifying and in-teresting instances.

In Scrofulous Tuberculosis, this medicated

iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities

bilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter, however, more decidelly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West,

will probably be one of high renown and use fulness.

No remedy has ever been discovered in the prompt, happy, and fully restorative effects.— Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately

follow its use.

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to R. B. LOCKE & CO., General Agents, 20 Ccdar-st., N. Y.

COMMENDATIONS:

From Hon. Lewis D. Campbell, M. C., Ohio.
My family and friends all concur in the opinion that the (Newell) Picture is more life-like than anything they ever saw. My likeness has been repeatedly taken by artists in various ways, but I have never yet had one which presents at the to neutre all the features and or

ways, but I have hever yet had one which presents so true to nature, all the features and expressions of countenance as this.

From Hon. E. Joy Morris, late Minister to Halv.

The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to remmend them to the attention and many them. tronage of all who appreciate true art.

From Col. James Page.

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction given me, not only by the accuracy of the likeness, but its aristic links in all resistes. but its artistic finish in all respects, and recom-mend him to the patronage of these disposed to encourage the beautiful art.

STOMACH OR LIVER,
Such as Indigestion, Acidity of the Stomach, Colicky
Pains. Heartburn, Loss of Appetite, Despondency,
Costivenees, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Nouralgio Affections, it has in
numerous instances proved highly beneficial, and in
others effected a decided cure.

This is a purely vegetable compound, prepared on
strictly scientific principles, after the manner of the
celebrated Holland Professor, Beerhare. Its reputation
at home produced its introduction here, the demand
commencing with those of the Fatherland scattered
over the face of this mighty country, many of whom
brought with them and handed down the tradition
of its value. It is none offered to the American public,
knowing that its truly wonderful medicinal virtues
must be acknowledged.

It is particularly recommended to those persons
whose constitutions may have been impaired by the
continuous use of ardent spirits, or other forms of
dissipation. Generally instantaneous in effect, it finds
its way directly to the soat of life, thrilling and quickening every nerve, raising up the drooping spirit, and,
in fact, infusing new health and vigor in the system.

NOTICE—Whoever expects to find this a beverage
will be disappointed; but to the sick, weak and low
spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY!

The Genuine highly concentrated Berhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for Five Bollaus. The great demand for this truly celebrated Melicine has induced many imitations, which the public should guard against purchasing.
