A SOLDIER SHOT. - On Saturday night last about 12 o'clock, a soldier belonging to Capt. Waltman's company at Camp Johnston, named Sleeper, was shot dead by a young man named Brubaker, in Mr. Denlinger's barn-yard, about three miles detailed to us are as follows: Mr. Den. linger, owing to threats made about burning his barn, had a guard of his neighbors for several nights previous on his premises. On that night, Mr. B. was on his hand nor grasp his baton without expeduty, when the deceased and two other riencing the most intense pain-he was on the When discovered they ran, Mr. B.several times calling upon them to stop, but to no purpose. He died immediately. Mr. B. gave himself up. Mr. B. had a hearing before Judges Long and Brinton, on Monday afternoon. Hon. Thos. E. Franklin appeared for the Commonwealth, and Edward Reilly. Esq. for the defendant. The Court, after hearing the testimony, held him to bail, in the sum of \$10,000 .- Lancaster Union.

A German, belonging to the Scott Legion of Philadeiphia, fell from the rear car of a soldier train while passing through this borough, at four o'clock on Thursday morning, and strange to say was not hurt, which only can be accounted for by his being drunk-as drunken men rarely injure themselves by falling. Ite lost his cap in the fall. Some of our patriotic young men on learning these state of things, provided him with tobacco, segars, and a free pass to Marisburg, where he expected to overtake his company. He says they left Philadel. phia at one o'clock at night, and being rather full of lager, when getting on the cars, he could not get into thefreight car, but took a scat on the bumper, from which he fell while the train was passing through this place.

We paid a flying visit to Camp Johnston on Tuesday afternoon last and found our Marietta boys on Regimental parade. They appeared to go through the drill remarkably well, all things considered. Tables were then being put up for the

Gallery of Art, 724 Arch St., Philadelphia. COMMENDATIONS: From Hon. Lewis D. Campbell, M. C., Ohio. My family and friends all concur in the opin-ion that the (Newell) Picture is more life-like than anything they ever saw. My likeness hus been repeatedly taken by artists in various ways, but I have never yet had one which pre-sents so true to nature, all the features and ex-represions of countenance as this.

From Hon. E. Joy Morris, late Minister to Italy. The exquisite finish, beauty and softness of your portraits, conjoined with their durability of color and faithfulness as likenesses, cannot fail to commend them to the attention and pa-

one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by htm, and take great pleasure in expressing the satisfaction giv-en me, not only by the accuracy of the likeness, but its artistic funish in all respects, and recom-mend him to the patronage of these disposed to encourage the beautiful art.
