COMMENDATIONS:

From Hon. Lewis D. Campbell, M. C., Ohio.

My family and friends all concur in the opinion that the (Newell) Picture is more life-like than anything they ever saw. My likeness hus been repeatedly taken by artists in various ways, but I have never yet had one which presents so true to nature, all the features and ex-pressions of countenance as this. From Hon. E. Joy Morris, late Minister to

Having occasion for a portrait, I procured one from Mr. Robert Newell, of the city of Philadelphia, a miniature in Oil Colors, under the new process discovered by him, and take great pleasure in expressing the satisfaction givon me, not only by the accuracy of the likeness, but its artistic finish in all respects, and recom-mend him to the patronage of these disposed to encourage the beautiful art.

It cures Consumption,

It cures Bronchitis, It cures Sore Throat, Coughs and Colds. It cures Asthma, Scrofula and impurities of the Blood.

This unequalled remedy is now for the first time introduced to the public. It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians

in Europe.

He has forwarded to us in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives

of some of the scenes of the Syrian massacres, which he obtained from those who suffered in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent iree by mail to all who apply for it. We import the Mokora Arabica direct from Swryan through the burses of Chemical or it will be sent free by man to an who appead for it. We import the Mokora Arabica direct from Smyrna through the house of Cleon and Gylippus, and we have always on hand a full supply put up in bottles ready for use with full directions. commencing with those of the Fatherland scattered
over the face of this mighty country, many of whom

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system. NOTICE—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

READ CAREFULLY! The Genuine highly concentrated Berhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE BOLLAR per bottle, or six bottles for Five Bottles. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.
