The next number will complete the seventh year of "The Mariettian," and we daily look for money from our delinquent subscribers. A number will find bills in the present issue of their indebtedness to us, which amount we hope they will immediately remit to us. We must raise considerable to keep our head above water.

Mark Blitz has purchased a right to sell and manufacture Woodworth's Compound Toilet and Washing Soap," which is said to be the cheapest and best article in the soap line extant. Mr. B. for the present can be found at his residence, a few doors above the Donegal House, on Market street. READ his advertisement in another column.

Thaddeus Stevens has been appointed Chairman of the Committee of Ways and Means, by Speaker Grow .-This position he is eminently qualified to his head, was cured in presence of a large for. It was filled at the last Congress by the Hon. John Sherman, of Ohio.

We are under many obligations to Mrs. R. A. Child for a basket of fine and very large currents and raspberries. Walnut street is determined not to be behind the rest of the town in providing the printer with the seasonable good things of earth. May it ever be so.

Heckrothe of the White Swan, had, we are told, a very fine Turtle soup supper on Fourth of July eve. An unavoidable absence from home prevented us from having our share. We are assured by an epicure who was present, that George had everything "just as it should be."

We learn from the Clearfield Raftsman's Journal, that Col. H. D. Patton has been appointed Quartermaster of Col. Biddle's Regiment .-Harry, being fond of good things himself, will provide, within his Circuit, everything of the best. We are glad to hear of his good lack.

Wiseman, the Railroad repair boss, who was injured at Harrisburg on the fourth, by being run over by the cars, died in that City on Sunday, and was brought to this borough, where his family resides, on Sunday evening. He was buried on Monday afternoon.

POSTPONED: The gift enterprise which is founded upon the sale of the beautiful engraving of "The Lord's Prayer," which has been advertised in "The Marriettain," as well as elsewhere, has been delayed because of the limited sale of tickets, consequent on the present national troubles. It will be necessary for the proprietors to continue the time, to enable those of the public who may be yet desirous of purchasing the engraving and taking a chance in the enterprize, and that the proprietors owing to the hard times may perfect their arrangements. The time now fixed is the first of October, at which time the distribution will positively take place .-Editors of Newspapers will continue to advertise the enterprise, and those who have not yet received the engraving of the Lord's Prayer framed, will have them sent this week. The public are thus given a further opportunity of availing themselves of this excellent enterprize. Mr. John Fulks, Market street, is the agent for this borough.

On Sunday moring last one of the Express Freight Trains West, when six miles east of Harrisburg, met with a terrible accident. A rail broke, when the engin was capsized and broken, and the freight cars were piled upon it. The engineer Andrew Glosser, of Columbia, this county, was scalded and bruised to such an extent that he died a few hours after. He leaves a wife and family .-The fireman, Michal Rogers, of Altoona, was also sealded and otherwise injured, and is now lying at the U.S. Hotel, Harrisburg, but it is thought he will recover. The cars were set on fire, and some eight of them, laden with Government stores, were distroyed. The stores consisted mostly of groceries and pro-
