

The Local Mariettian.

MARIETTA CAR HOURS: The following is the starting time from this place, from and after Monday, June 10:

Table with 2 columns: Direction (Going East, Going West) and Time (Marietta Accommodation, Harrisburg Accommodation, Mail Train, Harrisburg Accommodation).

SATURDAY, JULY 20, 1861.

We understand that the celebrated Dr. TRAIL, of New York, is likely to accept an invitation given him by Mr. Spangler to spend a few days amongst us during the present summer.

Whiler on a lying visit to Lancaster, on Wednesday morning last, were pained to hear of an accident happening the family of our former townsman, Captain S. Rathvon, now of Lancaster.

A most distressing casualty happened to-day about noon, causing sudden and deep sorrow in the family of one of our most respectable and highly esteemed citizens, Mr. S. S. Rathvon.

Spangler & Patterson's store was broken into about 2 o'clock, on Saturday morning last, and the drawers robbed of four or five dollars, mostly in pennies; &c., some silk handkerchiefs, when they passed over into the hardware department of Sterrett & Co., taking therefrom four repeating pistols and several boxes of cartridges.

The storm of Wednesday afternoon did considerable damage in the adjoining townships. It unroofed the house of Mr. Jacob Oldwiler, near Elizabethtown, blew down Brenneman's School House in Mount Joy township, and levelled the fences and grain generally in its march.

The Saint Louis Hotel, Philadelphia, has become one of the most popular houses in the city. Fare has been reduced to \$1.50 per day. Accommodations on the European plan can be had when wished.

Godey for August is on our table; it is an essentially necessary to every intelligent family as three meals a day to a well regulated household.

M. Bliz is now in the market with his celebrated soap. He is prepared to sell it by the single pound.—See his advertisement.

Diffenbach has determined to work off his summer stock at a low figure, in order to make room for fall purchases.

Col. John W. Forney, of the Philadelphia Press, was on Monday last, elected secretary of the U. S. Senate.

Prof. Wise left Lancaster with his war balloon on Thursday morning last.

Most of the soldiers in and about Baltimore have been paid off. They received their hard-earned money in gold, and, as a general thing, they forwarded their few dollars to mothers and fathers, to whom, in these dull times, the money will prove a great blessing.

A Mariettian in Washington.

WASHINGTON, JULY 15, 1861.

Mr. Editor: In my progress here on the Northern Central, I found nothing of special interest except the new bridges built to replace those destroyed by the Maryland rebels, which can be seen soon after passing the Pennsylvania line; and the squads of soldiers guarding the line of the road from other interference by the same graceless rascals, some of whom are said to be still lurking in disguise in that misguided State.

Arriving at Baltimore we found Monument Square still occupied by troops, with two brass cannon. It was a strange sight to see the very spot consecrated with a monument erected to commemorate the glorious achievements of Baltimoreans, of the last generation, in defence of the nation to be thus guarded by Pennsylvanians against Baltimoreans of this day, who meditate its destruction.

In our peregrinations through the city our opinion of Baltimore's loyalty was not enhanced by the display of the stars and stripes, for none are to be seen anywhere in that ill-starred city, except at the Government buildings and at the police station.

Band at the Gilmer House, the crowd which had gathered in the square, enthusiastically applauded it by almost deafening clapping of hands. This I at the instant regarded as an homage to the author, her own gifted and patriotic son, as Secession, you know, delights to honor any thing that pertains to the State; but when subsequently "Hail Columbia" and "Yankee Doodle" were equally cheered, I was constrained to believe that either Baltimore was loyal or that none but her loyal citizens had, on that occasion, congregated in the square, as there was no false pretence in these cheers, they had the ring of the true metal.

Arriving at Washington the first thing that attracted our attention was the large number of army wagons and ambulances on the grounds near the depot; and the large number of encampments on the heights north of the city.—Visiting the capitol we found the two magnificent Halls, wherein are setting the Senators and Representatives, not of all the States as of yore, but of the loyal and faithful States, as clean and brilliant, as if no troops had therein been quartered, evincing the respect paid by the defenders of the Union for its greatest architectural triumph, in which they, in common with all others, not tainted with treason, no doubt, feel a just pride.

Gratefully acknowledges the very liberal patronage that has been extended to him during the short time that he has been in Marietta, and has much pleasure in announcing to the ladies in this vicinity that he has good prospects of being able soon to secure the services of a thoroughly qualified and experienced female physician, who, he feels assured will supply a want that has been long felt in this community.

Long, President of the Court of Common Pleas, in and for the County of Lancaster, and Assistant Justices of the Court of Oyer and Terminer and General Jail Delivery and Quarter Sessions of the Peace, in and for the County of Lancaster, have issued their Precept by me directed requiring me, among other things, to make PUBLIC PROCLAMATION throughout my Bailiwick, that a Court of Oyer and Terminer and General Jail Delivery; also, a Court of Quarter Sessions of the Peace, in and for the County of Lancaster, will commence at the Court House, in the City of Lancaster, in the Commonwealth of Pennsylvania, on the

The man among all the celebrities to be seen here, which our party most ardently desired to see, was that greatest captain of the age, Gen. Scott, but how to accomplish this was not easily determined, as every inquiry but strengthened the conviction that no formal interview with him could be had.

John Pulks, butcher, who will in future conduct the business at the old stand, would take this means to request all persons indebted to him to call and settle, being anxious to close his books without delay.

day. The impressions he made on me on both these occasions were the same, that while in body he is frail, requiring the aid of his attendant Col. Wright, in entering and leaving his carriage, yet in mind he is active and vigorous, and fully equal to the demands made upon him by his position in this epoch in the nation's history. The visitors and residents have implicit confidence in him; and regard him with a veneration akin to that felt for Washington, and the remark is everywhere heard that as Washington was the father of his country, Scott is destined to be its savior. Prof. De Grath's Electric Oil has performed some miraculous cures in our city, at the Union Hall.

WOOBORTH'S Compound Washing and Toilet Soap. FOR SALE IN MARIETTA.

THIS SOAP, Patented in March, 1860, is decidedly the cheapest and best soap that has ever been made, and at the same time the mode of manufacturing the simplest that has ever been discovered. It can be made in ten minutes. Any one can heat over the fire a quantity of water and turn the same into the best Toilet Soap, at a cost of 3 cents a pound, or into the best Washing Soap at the low cost of a quarter, one half, or one cent per pound. It is made without any offensive smell: there is no lye or grease used, being made entirely from chemicals. It has been analyzed by some of the best chemists and found to contain nothing that will injure the most delicate fibres, or the skin.

This Soap has been used by thousands of families, for the last six months, and it is universally preferred to any other, wherever it is known, both for its superior quality, as a washing and toilet soap and for the great economy there is in using it, being cheaper by several hundred per cent than any other soap known. Every family should possess it, and needs only to be known to be sought after by every household and laundress in the land.

"Economy is Wealth." This Soap is now manufactured by the undersigned, in Marietta; and has already met with very flattering success thus far. It is certainly a great money-saving labor-saving necessity for every household. It can be had at my residence adjoining Mr. Chas. Kelly's, on Market Street, AT FIVE CENTS A POUND. ONLY ONE DOLLAR EACH! 10,000 Beautiful Steel Plate Engravings of the Lord's Prayer for sale.

VALUABLE PROPERTY GIVEN AWAY!!

The idea of representing the Lord's Prayer by an engraving, and of ornamenting and arranging it in such a manner as to produce at once a model of neatness and taste, was conceived and carried out by GRIMSBY, the celebrated Bank Note Engraver of New York. It commences with exquisitely executed words of "Our Father," and then follows in succession the other parts of the prayer, every phrase of which is engraved in the most elegant and tasteful manner. Near the bottom of the picture is a superbly executed head of Our Saviour, and encircling the upper part of the engraving are ten angels, each bearing one of THE TEN COMMANDMENTS.

The engraving has received the most unqualified praise from the religious community, as there is nothing of a sectarian character about it, having been recommended by clergymen of all denominations. As an ornament, it is one of the most splendid ever published in this country, and is destined to take the place of a poorer class of engravings. The size of the plate is 20 x 28 inches, and is unquestionably the cheapest engraving ever offered in this country.

Who that loves art—who delights to study a fine engraving—who that would receive the impressions which such a work is calculated to impart, would fail to secure a copy when the price is ONLY ONE DOLLAR, with the chance of securing for the sum in addition, a permanent home or another valuable gift?

As a work of art this valuable and beautiful engraving is worth more than the dollar asked for it; it will readily be acknowledged on an inspection of it; but the subscribers intend to make a Gift Distribution to purchasers of the engraving of valuable presents of the following: 1 House and Lot in York Borough. 2 Buggies (Quinn & Palmer's make, warranted.) 1 Rockaway. 2 Building Lots in York Borough. 100 Valuable Books.

When the engravings are sold a meeting of the purchasers will be called at Washington Hall, York, Pa., when the Gifts named above will be distributed in such a manner as the purchasers may determine. The meeting will select a committee of disinterested persons to make the awards in such manner as they may designate.

The proprietors from the favorable manner in which this Gift Enterprise has been received, and the number of engravings already sold, hope to be able to give the amount disposed of by the 1st of July, '61, and when all are sold they will notify the purchasers, and have the distribution of the Gifts proceeded with.

RECOMMENDATIONS. We invite attention to some of the recommendations: From Rev. C. W. Thompson, Pastor of St. John's Protestant Episcopal Church, York, Pa.

Messrs. Austin & Wehrly.—The engraving of the "Lord's Prayer," which is now offered for sale by Messrs. Austin & Wehrly, of this Borough, is "got up" with much taste and beauty, and ought to receive the public attention—anything that will keep a noble composition before the mind and memory is likely to do good. The work seems to me to require examination in order to be admired, and I cannot but hope that the gentlemen who have in hand its distribution at so moderate a rate, will be abundantly successful in their undertaking.

C. W. THOMPSON. From Rev. F. F. Hagan, Pastor of the Moravian Church, York, Pa., Feb. 20, 1861.

Messrs. Austin & Wehrly.—Having had the pleasure of inspecting Messrs. Austin & Wehrly's splendid engraving of the "Lord's Prayer," I would cordially recommend it to the favorable attention of their friends at York and elsewhere. It is not only a beautiful ornament for the dwelling of every christian family, but also a useful and interesting acquisition to Sunday Schools and similar benevolent institutions.

PROF. DE GRATH would state explicitly that he is the discoverer and sole proprietor of the secret of the manufacture of Electric Oil, which could not be purchased for \$1,000, 000 and \$50,000 will be given to any chemist who will make it. My Oil has performed all the cures published in the Ledger for years past.

None genuine without signature of Prof. C. De Grath. Labels signed in writing. Principal Depot No. 217 South 8th St. Philadelphia. Country dealers and druggists can be supplied wholesale and retail. Price 25 cents, 50 cents, and \$1 per bottle. Try everything else; give this one simple trial.
