The War.

We have no great battles to record this week, but we can tell of some important events, relative to our armies.

THE ARMY OF THE POTOMAC has again assumed the offensive. Gen. Meade, in his retreat, had so crippled the railroad that Gen. Lee could not use it to transport his supplies.

Gen. Meade moved with due rapidity, and kept his divisions well in hand, and chose his positions so wisely, that his adversary's strategy was all ineffective.

Conjectures are offered why Gen. Meade followed before Lee, and then so speedily followed him. Some of these are unfavorable to Meade; others are damaging to the Administration. We pretend not to decide.

It is reported that Meade was removed; that he had tendered his resignation. The last statement is, that he enjoys the confidence of the President.

THE REMOVAL OF ROSECRANS from the army of the Cumberland, took the country by surprise. That was an event which did not cast its shadow before it.

Letter writers, party politicians, and newspaper Generals, except a few, were glorifying Rosecrans, and that few were silent.

We were a special favorite with us. But we did not indulge in criticism. Much is now said against him; by those who plead for the Government. Much may be true, yet we do not believe that the evil things are so bad; and do not choose to put them on record.

He has done much service, and some mistakes may well be pardoned. A NEW GRAND DEPARTMENT, called "The Division of the Mississippi," is now constituted in the West, at the head of which is Gen. Grant, with his headquarters at Nashville, or, as one report says, in the field.

Gen. Grant has the kind and the degree of talent needed, happy results will follow. We shall cherish good hopes; especially if he shall prove true to his appointment.

need to keep a few iron-clads there, to guard against the rebel rams. To approach Charleston by land would require twice or thrice the number of men now under Gen. Gilmore.

ADMIRAL DALHAGEN, as is said, is to be relieved.

Obituary.

DIED—October 12th, at Queenston, Armstrong Co., of diphtheria, little ANNA QUEEN, aged 12 years.

DIED—At East Waterford, Juniata County, Pa., on the 26th of Sept., Mrs. MARY M. LANGHIN, formerly Mrs. Nancy Laughlin, in the 84th year of her age.

Mrs. Langhin had been for forty years a communitarian member in the Presbyterian Church, ever maintaining a consistent Christian profession, and estimable in all the relations of life, and greatly beloved.

Another bright star shines the great white throne another angel from the heights of heaven; banking in the sunshine of eternal light.

DIED—At Indiana, Pa., on the 25th of September last, Mrs. MARY LIDA, wife of James M. Stewart, M.P., in the 74th year of her age.

The deceased was born at Huntingdon, Huntingdon County, Pa., on the 12th of January, 1788. Her father was the Hon. Benjamin B. Rivett, of that place.

She was married on the 28th of March, 1816, and in the Spring of the following year she accompanied her husband to Indiana, Pa., where she spent the remainder of her life.

She possessed in a high degree the ornament of a meek and quiet spirit; her conversation in the world was in simplicity and godly sincerity, and she walked in all the commandments and ordinances of the Lord, blameless.

She was the mother of two children, one of whom, a lovely daughter in the bloom of her youth, was stricken with an incurable disease, under which she lingered for about twenty-three years.

During most of this time, night and day, the devoted mother attended her with the most assiduous care till about a year ago, when she fell asleep in Jesus.

Her death was a great affliction to her husband, and after the death of her daughter she died rapidly, and every effort made to restore her, proved unavailing.

She was a devoted member of the Presbyterian Church, and was a constant attendant at the services of the church, and was a great blessing to the church.

was still trusting in Christ, and that Jesus was very precious to her.

By this dispensation of God's providence, her husband, in advanced age and with declining strength, has sustained an irreparable loss; but it is his great consolation to know that his loss is her eternal gain.

DIED—April 6th, 1863, Mrs. MARY HANNA, wife of Stewart Jordan, deceased, in the 96th year of her age.

The subject of this notice was born in Chester County, Penna. Her parents were members of Doe Run congregation, then under the pastoral care of the Rev. Mr. Foster, by whom she was baptized.

In September, 1801, the family removed to the then far West, and after a wearisome journey of three weeks, arrived at Pittsburgh, October 8th.
