Plant manager Mack Rupert (right) congratulates Kenny Miller (left) on 25 years' service at NCR.

Miller joins NCR's 25-year club

Kenny Miller, supervisor of the order entry dept. and NCR's Mount Joy plant, was welcomed to the company's 25 year club last week.

Mr. Miller began his career with NCR in Dayton, Ohio, where he worked on

payrolls.

He moved to Washington Courthouse, Ohio, in 1958, and was promoted to a management position in 1959.

In May of 1968, he was transferred to Mount Joy.

His daughter Sharon (now

Mrs. William Fuller) attended Donegal High School.

Kenny and his wife, Florine, live in Mount Joy.

He is active in two bowling leagues and loves to fish in the Susquehanna River.

Michael Groff enlists USAF

Michael Groff, son of Mr. and Mrs. Harold Groff of 338 Chocolate Ave., Mount Joy enlisted in the U.S. Air Force's Delayed Enlistment Program recently according to TSgt Jim Ellington, Air Force recruiter 44 S. Duke St., Lancaster.

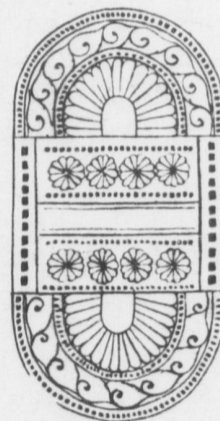

Groff, a '75 graduate of Donegal High School, is scheduled for enlistment in the Regular Air Force on March 15. Upon graduation from the Air Force's six week basic training course, he will receive technical training in the Mechanical area.

He will be earning credits toward a Career Education Certificate through the Community College of the Air Force while attending basic and other Air Force technical training schools.

Steve Miller, staff sergeant

Steven M. Miller of Mount Joy has been notified of his promotion to the grade of staff sergeant in the Air National Guard at Harrisburg International Airport in Middletown.

Sergeant Miller, a Ground Radio Communication Equipment Repairman, is assigned to the 193rd Consolidated Aircraft Maintenance Squadron at the airport.

In spite of the recent defeat in Canada, new recruits continue to join the Donegal Rangers. The company mustered in Marietta last week, and some new faces were visible in the ranks. If enough dedicated men sign up, the rebellion against Britain just might be successful.

Prize Bicentennial photos on display in Conoy

The Conoy Township Bicentennial Committee will be exhibiting the Lancaster County Bicentennial Photo Collection the week of January 18, 1976, at the Bainbridge Elementary School in Bainbridge. The exhibit includes 37 photographs taken in Lancaster County by county residents. Subjects include historical buildings, landscapes, leisure time occupations, religion, the family and others.

The exhibit will be open to the public on Sunday, January 18 from 2p.m.-4p.m., when the Haldeman Society will also have a display and refreshments will be served. On Monday, January 19, and Tuesday,

January 20, the public is welcome during school hours 9a.m.-3p.m., when 5th graders will be available to guide and answer questions.

The bicentennial committee invites all residents of the township to attend the next meeting Thursday, January 15 at 7:30 at St. Luke's Lutheran Church, Bainbridge. Plans are being made for the Bicentennial Days, June 12, 13, and 14, 1976. Parades and bands are being scheduled.

The township would like to rely on local craftsmen rather than inviting outside professional artisans and craftsmen. Tentatively, a mock Indian village is

being planned along the Susquehanna River, an area rich in Indian history for which the township was named. Persons are being contacted to demonstrate and display their skill at the crafts of quilting, spinning, and weaving, and blacksmithing. We are looking for other specialities in leather work, crocheting, lacemaking, pottery, crewel and canvas embroidery, sculpture, broommaking, wooden toy, apple head dolls, corn husk wares, herbs, and games, and many others.

Persons who might be available to help in this effort during the June Bicentennial Days, should contact Mrs. Barbara Leh-

man 367-3179, Mrs. Lilian Brooks 426-3842, or Mrs. Romaine Campbell 426-2230.

History of the township is being compiled and publishers are being contacted. Any pictures or written material that may be of interest to the committee is welcome. Please contact Mrs. Marguaretta Gingrich, 426-3403.

Fund raising projects are in progress. Through door to door soliciting and Conoy Township Bicentennial plate sales the committee hopes to cover initial costs of the June Days. Call any committee member to order a plate, especially made by the Wilton Company at the cost of \$12.00.
