

Fire guts trailer; dog saves family

Trailer was destroyed, but owners escaped after their dog woke them up.

by Bill Martin

January 13, Friendship Fire Co. No. 1 responded to a trailer fire in Rolling Hills Estates Trailer Park in Drytown. According to Fire Chief Frank Good of Friendship Fire Co., Mr. and Mrs. Daniel Boone retired for the

night between 12:30 a.m., and 1:00 a.m., and were awakened at about 2:40 a.m., when Blackie their pet puppy jumped on their bed. The couple discovered the place on fire and while Mrs. Boone left the trailer, Mr. Boone attempted to put out the fire with a fire extin-

guisher. The extinguisher knocked the flames down but the fire flared up again. Mr. Boone rescued Blackie and got out of the home. John Lutz, fire dispatcher at the zone 7 alerting base received the call at 2:43 a.m., for Friendship Fire Co., with the report of flames showing through the roof. Upon arrival, firefighters found the trailer in flames. The fire was brought under control in minutes. Florin Fire Co. responded with 2 tank trucks to the scene.

Chief Frank Good states a malfunction in the furnace caused the blaze. The five destroyed the contents of the trailer at a loss of \$3,500.00 and \$6,000.00 to \$8,000.00 to the trailer. A total of 509 men responded to the fire call from the 2 Mount Joy Departments. Friendship Fire Co. was back in quarters at 5:28 a.m. Chief Good noted that people should make sure their furnace is in good shape by having it serviced once a year.

January 17, Friendship Fire Co., responded to a fire call at the Central Hotel, N. Market Street, Mount Joy when a fire alarm box was pulled at 5:56 p.m. There was no fire.

An automatic alarm brought firefighters to Don-egal Industries at 7:42 p.m., January 17. The department was in service about 20 minutes for each call with 25 men responding to each call.
