

# Grapplers pin P-M

Happy Howell heads for the showers after saving the day for DHS.

An exciting 28-25 victory over Penn Manor kept the DHS wrestling team's perfect league record intact last week. (pin, 4:45), Mohr (pin, 5:59), Ruhl (dec., 16-5), Carroll (dec., 6-2). Howell pinned his man in 3:35. The JVs lost 30-32.

Howell pinned P-M's Landis in the heavyweight bout to tip the scales of victory Donegal's way. In another match, the Indians rolled to an easy 36-12 victory over Ephrata. Pins were scored by Adams, Garner, Brandt and Howell.

The rest of the Indian's points were scored by Adams (dec., 7-4), Garner Meszaros, Mohr and McComsey. Decisions went to McComsey.

## Susquehanna Times boo-boos

The **Susquehanna Times** sports editor grappled with the facts and was pinned by errors last week.

His clumsiest move was putting George Mohr's name on Meszaro's picture.

As if that wasn't bad enough, he read the wrong schedule and announced that the DHS wrestling team

would meet Annville-Cleona last week instead of this week.

When the editor-in-chief read the paper, he got the sports editor in an illegal strangle-hold.

The sports editor has been working out all week, trying to get his head in shape for this edition.

## N.E.D. tests at DHS Feb. 13

On February 13, 1976, Donegal High School will administer the National Educational Development Tests to the tenth grade.

This is a testing program that helps professional educators, parents, and students plan together for the educational and vocational future of the students.

Mrs. Lily E. Grimm, Director of Guidance, says that the NEDT Program is being used because it will

give the school the type of information it needs to help students plan wisely for their future education and future career. It will reveal how well the students can apply the skills they have acquired since entering school. It will help the school recognize the strengths in each student's educational development and at the same time, will pinpoint weaknesses.
