Tammy Newcomer selected for family leader of tomorrow

Tammy Newcomer

Tammy L. Newcomer has been named Donegal High School's 1975-76 Betty Crocker Family Leader of Tomorrow. Miss Newcomer won the honor by competing with other seniors in the written knowledge and attitude examination on December 2. She will receive a certificate from General Mills, sponsor of the annual educational scholarship

program, and becomes eligible for state and national honors.

State Family Leaders of Tomorrow receive a \$1,500 college scholarship while second-place winners receive a grant of \$500. The state winner also earns for his or her school, a 20-volume reference work, "The Annals of America," from Encyclopaedia Britannica Educational Corporation.

In the spring, state winners and their faculty advisors will be the guests of General Mills on an expense-paid educational tour to Washington DC. A special event of the tour is the announcement of the All-American Family Leader of Tomorrow, whose scholarship will be increased to \$5,000. Second, third, and fourth place winners will receive scholarship increases to \$4,000, \$3,000, and \$2,000 respectively.

75 entries from Donegal Hi in regional art competition

by Linda Ross

Thursday evening, February 5 I delivered 75 art entries from Donegal High School to Lancaster to be judged for the Regional Scholastic Art Awards Competition.

Two students, Lloyd Runkle (9th) and Kathy Jones (12th) went along to help with the sorting of entries. This was quite an educational experience for them as they got to see much creative work which won't make it into the exhibit. Out of the 2,000 entries, only a few hundred can be displayed in the first floor of the Greist Building where the exhibit is being held this year.

As a member of the 6-man Regional Advisory Committee, I will be spending numerous evenings and 2 weekends organizing the exhibit. This Saturday, the 7th, the preliminary judging will be held. This judging determines which entries will be displayed. Next

weekend, the Finalist judging will be held which determines which entries will win awards.

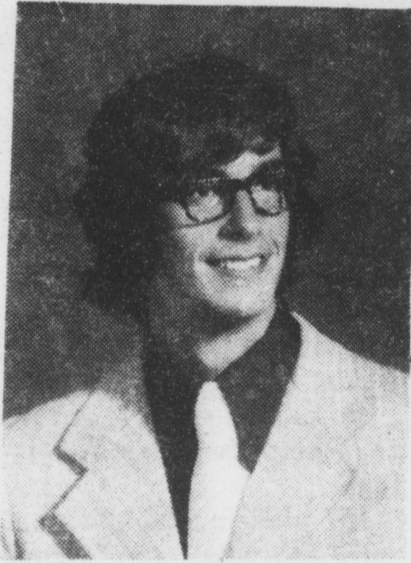

During the following week (16th-20th) it will take several evenings to hang the exhibit and on Friday evening, February 20th, the Awards reception and presentation will be held for students and parents.

Scholastics opens to the public February 21st and runs through Saturday, March 6th. The exhibit hours are during downtown store hours plus 1-5 on Sundays and is being sponsored by the Lancaster Fine Arts League headed by Mrs. Gerald Lestz.

COUNSELING NIGHT

Donegal High School Counselors will hold a course Counseling Night for parents and students, February 17 from 7 to 9 p.m., in the Donegal High School auditorium.

The 1976-77 program of studies will be explained and there will be a question and answer session.

Junior Achievement at D.H.S. duplicates real business life

by Deb Pedrick
and
Sue Williams

What is the organization at Donegal in which students set up a company, manufacture a product, market the product, and keep records of all business transactions? It's Junior Achievement! J.A. members hold board of directors meetings and sell stock to raise capital in order to teach students the "business of business."

The organization was formed in 1919 by Horace Moses in Springfield, New York. This is its fifth year at Donegal. Any interested

sophomore, junior, or senior may join J.A.

Armstrong Ceiling Plant sponsors Donegal's company, Liberty Inspired. Steve Sankowski is the head advisor.

The meetings are held Monday evenings from 7 to 9 p.m., at the high school.

This year's projects include bicentennial date books, and decoupage plaques for the bicentennial.

The officers are: Sue Bender, president; Jay Long vice-president manufacturing; Portia Hossler, vice-president Sales; Melody Mumma, treasurer; Tracie Reichard, secretary; and Missie Gates, vice-president Personnel.

DECCA FFA and VICA are the big 3 clubs at Vo-Tech

Three clubs are offered at Mount Joy Vo-Tech. Each student has the opportunity to join a club that is related to his area of study.

The membership of DECA, Distributive Education Clubs of America, is open to the Distributive Education class only. The membership is high each year. There are Leadership conferences, state and national competition in which the members compete.

The membership of FFA, Future Farmers of America,

Plants Unlimited chapter, is made up of Floriculture and Horticulture students. The majority of the students in both classes belong to the FFA.

The membership of VICA, Vocational Industrial Clubs of America is limited to trade and industrial students and is active in many community functions. Students compete in skill and non-skill areas of local, regional, state, national, and international levels of competition.

Vo-Tech offers wide variety of courses in adult education

The Adult Education Program is sponsored by the Lancaster County Area Vocational-Technical Schools to meet the individual needs of Adults or out-of-school youth who are residents of Lancaster County.

Major objectives of the Adult Education program are to provide organized units of instruction in occupational theory and/or practical application to aid individuals to up-grade themselves in their occupation, to retrain individuals who are interested in entering another occupation, and

to provide individuals with a working knowledge of occupational areas closely related to their own occupations.

An Adult Education Brochure contains (1) a variety of course selections, (2) a skeleton, (3) a selection schedule of the time and location of the various courses will be offered, (4) information pertaining to registration, (5) an explanation of various fees, and (6) an Advance Registration Coupon.

Brochures may be picked up at each of the three Vo-Tech schools, or at the high school.
