Hess—Ulrich Buick—Chevrolet—Oldsmobile

Jay Ulrich—President Benjamin Hess—Secretary Treasurer

In this day and age when every car maker has such a wide selection of models to choose from, it is really difficult for you to decide where to go for a new car. All the companies advertise that their cars are the best, but who is to say which car really is. Obviously all the cars on the market today must have their good points or they wouldn't have survived the ups and downs of the business. We therefore can conclude that the real difference in buying a car is the dealer you buy it from.

The ideal dealer to buy a car from offers a fair price on the new unit as well as an honest dollar for the car you trade in. However, the most important factor is the service that you receive on your new car year after year.

The writers of the 1976 Review would like to point out a dealer that considers the most important part of selling a car the quality service he can offer you after the sale. We are talking about the Hess—Ulrich Buick—Chevrolet—Oldsmobile Dealers at 108 W. Main St. in Mount Joy, phone 653-4821, dealers for the famous Oldsmobile, Buick & Chevrolet automobiles. See them today for a new or quality used car, and you'll see why we say "Customer Consideration" is their byword.
