Grapplers muscled from top; end season with 10-1 record

On Friday, February 13, the Donegal Indians' Wrestling squad finished their league season with a record of 10 and 1.

On Tuesday, the 10th, the Indians lost their first match in 2 years. The Donegal grapplers wrestled against the only other undefeated wrestling team in Section 2, Annville-Cleona.

Early in the match it looked like both teams would have a tough evening.

In the 98-pound bout, Mark "Grizzly" Adams found himself trailing 0-8

early in the battle. Adams came back with a head lock and a near fall for the Indians to make the score 8-5, Annville. Later, Adams got another reversal to make the final score 8-7.

It looked bad for the Indians as they lost the next 3 matches. Donegal came back with pins from Garner and Mull, at the 126 and 132 pound weight classes respectively.

George Mohr was tied by Annville's Risser. Mohr was the only Indian to go undefeated in league competition this year.

After Mohr's match, the

only other Indian to win a match was Tim Howell, with a 5-3 decision over Kleinfelder. The final score for the Annville-Donegal match was 39-17.

Donegal's JV's lost a hard fought match 15-34 to Anneville's JVs. On Friday night, Donegal clenched 2nd place in Section 2 by beating Cocalico with a 25-22 final score. In this match, decisions went to Adams 10-8, Prowell 3-2; Meszaros 5-0; Garner 12-5; Mohr 10-3; and Brandt 10-2. Donegal's Tim Howell, got a forfeit at the 185 pound weight class. The JV's also won a 27-6 victory.

Cagers shoot for higher glories after perfect 14-0 Section 3 year

Donegal won its 14th league basketball victory by squeezing past Garden Spot 50-47 last Friday.

At the end of the regular season, the Indians are the only undefeated team in Section 3 of the Lancaster-Lebanon League.

The team will have a shot at higher honors in two separate tournaments: the Lancaster-Lebanon playoffs; and the District 3 playoffs.

The Lancaster-Lebanon intersectional playoffs got underway this week.

Tonight, (Weds.) Donegal will take on the Section 1 champions at Hempfield High.

On Friday, the winner of that game will challenge Cedar Crest. The game will be held at Hershey.

The Indians are also entered in District 3 playoffs.

The District playoffs are separated into classes on the basis of school size.

Donegal, an intermediate-sized school, was seeded third in the class AA tournament this year.

The Indians' first game in the District 3 playoffs will be held February 27 at Penn Manor.

Donegal will be facing Lancaster Catholic in that game.

Coach Swift isn't predicting how well his team will do in either set of playoffs.

"From now on," he says, "every team we play is going to be good."

Last Friday's game with Garden Spot wasn't an easy win for the Indians.

Garden Spot's effective defense included one tactic that backfired; they fouled John Fellenbaum every time he got his hands on the ball.

The pressure held Fellenbaum to 4 field goals, but gave him a chance to demonstrate his foul-throwing prowess.

The accurate Indian sank 15 of 16 charity attempts. His total of 23 points made him the game's high scorer.

McCue scored 10 points, McKercher 9, Barto 6, and Miller 2.

Earlier in the week, the Indians had an easier time when they trampled Pequea Valley 94-62.

Fellenbaum sank 30 points in that game. McKercher followed with 18, Barto canned 14, Miller 8, Weber 6, McCue 5, Bradley 4, Zimmerman 4, Gallagher 3, and Milligan 2.
