

Letter to the editor

Dear Sir:

As a student of Donegal High School and an avid follower of the basketball team I felt I should write this letter and explain my feelings as well as my friends'. Recently we lost an important playoff game to Ephrata. In a few newspapers I noticed sports headlines such as "Mounts Embarrass Donegal." I

would like to say although we lost the game no Donegal fans were embarrassed or ashamed of our team. Even if we had lost by a hundred points we still would be proud of our basketball players.

As a basketball fan I am urging fellow students and people of the Donegal community to continue to support our great team. The

District playoffs are coming up and the Donegal Indians have a good chance to win. Come watch the games and cheer our players on.

And so, John, Kevin, Bob, Mark, Chris and other team members, Keep charging because we here at Donegal are behind you one hundred percent!

Sincerely,
S. Cox
