## Miles Lauver of Marietta wins safe driving award

by Hazel Baker

Miles S. Lauver, Marietta, a truck driver for Howmet Aluminum Corporation, is eligible for a National Ryder driver of the year award after having logged 400,000 miles without an accident or traffic violation. He was chosen from among 200 drivers in the district for the driver of the month as well as driver of the year in the Central Pennsylvania District by Ryder Trucks, Inc., which leases trucks to Howmet.

Lauver has been driving his 18-wheel, 40-plus foot tractor-trailer over America's roadways for five years. He claims it is better to

have a steady foot than to speed 80 miles an hour and then slow up, only to speed up again. He drives solo in his rig, logging 8 hours followed by 10 hours of sleep in his cab.

Lauver claims that citizen band radios are a safety feature for most men of the road who try to get along with their fellow men.

Next to winter weather, leaving their families for a long haul is the hardest part of a truck driver's job, according to Lauver. Mental strain behind the wheel while driving for long periods of time is very tiring. Winter driving, however, tenses him up and makes him more cautious, he said.
