New monument built in Maytown Square

Donegal American Legion Post 809 is building a new monument to honor World War 2 veterans in Maytown Square. The old monument, which supports the flagpole, only has enough room to list the veterans of World War 1.

Photo shows Donegal American Legion finance officer John Drace (left) and trustee Bob Hollenbaugh (right) standing beside the forms for the new marker.

Bicen fire hydrants, street repairs planned & police cruiser bought by Mt. Joy Council

Mount Joy Borough Council voted to decorate fire hydrants and buy a new police cruiser at their monthly meeting last Mon.

The proposed street repair program for 1976 was also announced.

Mrs. Vera Gingrich was named to head the fire hydrant decorating program. Councilman George Groff was appointed council representative to the Mount Joy Bicentennial Committee. He will report to council on the fire hydrant decoration program and other bicentennial activities.

The new cruiser, a \$4547 1976 AMC Matador, will arrive in 60 days. It will replace an older vehicle.

The proposed street program for 1976 was announced. The rebuilding of Plum St. from Church to Water St. will entail the laying of a

new water line for the Watering Trough. The water will not be entering the trough for the time of construction but will be reinstated as soon as possible.

Other streets scheduled for work will be "Bridge Blvd. from Angle to Wood; Clay Alley from Angle to Plum; S. Market St. from Marietta St. to the R.R. bridge; Apple Tree Alley from Patterson to Market St.

Council rejected an offer of rented parking space from the Church of God. The church recently razed the old railroad station to make room for a parking lot. The church offered to rent the space to the council for \$100 per month, but the council denied the request.

Robert Aims, project director for the Homemakers Program of the Visiting

Nurses Association, asked council for \$141.30 to support the program.

The Homemakers Program gets \$175,000 from the federal government. Boros and townships are asked to pay 5 percent of the federal contribution.

Council was told that a third of the program's funds are used for administration. Trained homemakers get \$2.63 per hour and 13 cents per mile. One person in Mount Joy is receiving the service at the present time.

The request was referred to the finance committee for study.

The Mount Joy Merchants' Association asked council to consider allowing free parking in the borough from Nov. 25 to Dec. 25. The request will be studied by the finance committee.

At least 700 people attended funeral services this week for Dean Chapin, who was killed when the car he was driving crashed on Route 141 last Thursday. No one else was injured.

the Order of the Arrow. He had planned to participate in the Philmont Expedition of the Lancaster-Lebanon Boy Scouts.

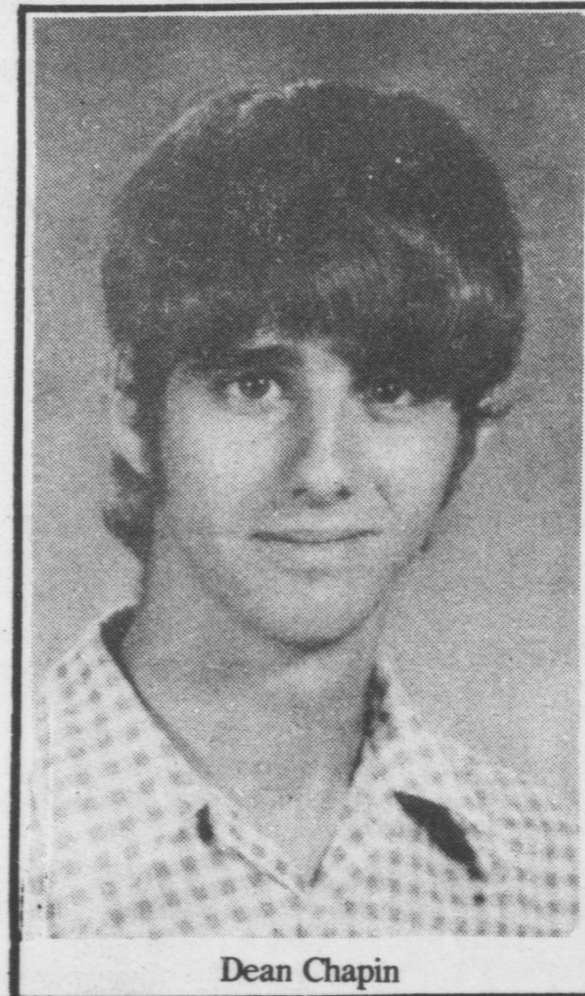

He was a member of the Varsity Club, the track team, and the Junior Rifle Club of the Mount Joy Sportsmen's Association.

He attended Calvary Bible Church.

Born in Lancaster, he was the son of David Russell and Hazel Gahhard Chapin.
