Lancaster Lincoln-Mercury Co.

Carl F. Koenig - General Manager
Roy Rothrock - New Car Sales Manager

In this day and age when every car maker has such a wide selection of models to choose from, it is really difficult for you to decide where to go for a new car. All the companies advertise that their cars are the best, but who is to say which car really is. Obviously, all the cars on the market today must have their good points or they wouldn't have survived the ups and downs of the business. We, therefore, can conclude that the real difference in buying a car is the dealer you buy it from.

The ideal dealer to buy a car from offers a fair price on the new unit as well as an honest dollar for the car you trade in. However, the most important factor is the service that you receive on your new car year after year.

The writers of the 1976 Review would like to point out a dealer who considers that the most important part of selling a car is the quality service he can offer you after the sale. We are talking about the Lancaster Lincoln-Mercury Co., at 1009 North Prince Street in Lancaster, phone 394-7271. They feature sub-compact BOBCAT and CAPRI, compact COMET and MONARCH, intermediate COUGAR and MONTEGO, the standard MERCURY and the luxury line of CONTINENTAL and CONTINENTAL MARK IV automobiles. See them today for a new or quality used car, and you'll see why we say "Customer Consideration" is their by-word. K. Dennis Koenig is the Used Car Manager. This full service dealer also offers complete automobile leasing on any make or model. Ray Kauffman is the Leasing Manager.
