

## Certified Carpet Service

Walter Legenstein Jr.

The Certified Carpet Service located at 1855 Columbia Avenue in Lancaster, phone 394-3731, is the carpet cleaning specialists in this area with Jet Steam Extraction.

Jet Steam Extraction actually removes the deeply imbedded grit, dirt and even the detergents left by previous cleanings. What's more, you can see it being extracted. There are no brushes - nothing to distort pile or mat the fibers. Here is how it works - fine heated mist jets into carpet pile - high frequency vibrator loosens and lifts the dirt - powerful extractor removes the soil.

This exclusive 3-way combination, mist/vibrator/extractor makes this system superior to all other methods employing steam or excessive amounts of hot water.

When you see the dirt leaving your carpet, you'll be astounded! The finished carpet is truly "Hospital Clean". Also available through Certified Carpet Service is a complete selection of Armstrong and Lees carpets, as well as expert installation.

The writers of this 1976 Review invite you to call Certified Carpet Service today for the only wall-to-wall carpet cleaning that approaches in-plant rug cleaning results.
