## Steve Neal helps Cubs to international title

by Hazel Baker

For the first time in the history of youth hockey at Hershey, a Chocolate town team has won an International Tournament in the land of ice-hockey.

The Hershey Cubs registered three straight wins over teams from Quebec, Ontario, and Nova Scotia.

Goal tender, Steve Neal, son of Mr. and Mrs. Don Neal, West Market Street, Marietta, played a key role for the Cubs in their gold medal win. He was outstanding in all three games, posting a 5-0 shut-out against Quebec.

The Hershey Pee Wee Cubs received gold medals for their win and brought the silver cup home to Hershey. Steve Neal received the game puck mounted on a trophy for his shut-out.

The Cubs, sponsored by the Hershey Bears, were honored on their return home at a banquet.

The past week-end, the Hershey Pec Wees were in New York for the District Play-offs. They won the Pee Wee District Championships by winning three straight games. Steve Neal stopped 36 of 38 shots on goal for a final score of 3-2. The team received individual trophies and brought home a large trophy to Hershey.

The Pee Wees will be traveling to New Jersey in two weeks for the Regional Play-offs. If they win, they will go on to the National's held in Philadelphia.
