

CHOICE BITS

Age is not all decay, it is the ripening, the swelling of the flesh. Life within that withers and bursts the husk.

Disappointments should be cremated, not embalmed.

W. Rutt goes to seminar

Mr. Warren S. Rutt, owner of Rutt's Appliances, 10 East Main Street, Mount Joy, PA recently attended a two-day merchandising seminar conducted by Amana Refrigeration, Inc., at its Amana, Iowa headquarters. He was one of a select group of retailers and retail salesmen from across the nation hosted by Amana for sales and marketing training on the complete line of Amana quality appliance products. The company is holding a series of such seminars during March, April, and May, as part of a continuing national program of assistance to Amana retailers and distributors.

Amana's guests met with company marketing executives for presentations and discussions covering Amana refrigerator-freezers, freezers, Radarange (R), microwave ovens, room air conditioners, trash compactors and dehumidifiers. They participated in special technical seminars on Amana energy saving products, including the company's Energy Saving Refrigerators, Radarange ovens, and extra-high efficiency room air conditioners.

In addition to these meetings and a tour of Amana's manufacturing and head-quarter facilities, the group toured the nearby Amana Colonies and savored the old world foods and atmosphere that abounds there. They also had the opportunity to see first-hand the century-old traditions that have won the Colonies world fame for quality craftsmanship in many fields.
