DID YOU HEAR...

A Florida newspaper recently ran a story on "The Amazing Prestons" Paul and Mickee Preston of Plantation, Florida. Mr. and Mrs. Preston were a distinguished ice-skating team in the nineteen-forties, performing in Madison Square Garden, the Sonja Henie

Show, the Ice Capades, even Europe.

Tragedy struck Paul Preston in 1951 when he was paralyzed by a stroke that ended his skating career. Paul was a native of Marietta, and he returned here to his father's home for physical therapy. With his father's help, he achieved a

remarkable recovery.

The Florida newspaper article, which was sent to the *Susquehanna Times* by Mrs. George Houseal, tells the story of Paul Preston's courage and warmth and the new life he has built for himself in Florida.

JayCee Ecology Project Continues

by Donald L. Simmons

The Marietta Jaycees are still actively involved in recycling of newspapers, magazines, books and cardboard. These may be dropped off at the Jaycee Center just off Waterford Avenue anytime. Glass is also still being collected for recycling—and preferably should be taken to the Jaycee Center on Saturdays, but can be placed on the porch anytime.

The money which results from this project is used for renovating the former school. Replacement of windows is the current project.

Membership in Jaycees is open to young men between 18 and 36 and the Marietta Chapter invites all eligible men to join and become active in our Community during our Bicentennial year.
